DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Children:

Certain terrestrial consciousnesses, that previously handled human power with severity, will require a demanding effort in this cycle to let go of that so deeply rooted attitude.

The same thing happens when the being, for a long time, handled and generated other attitudes that were not spiritual or evolutionary.

If that consciousness, which in spite of its actions or its errors, surrenders at the Feet of the Lord, prays and trusts in the one sovereign Power of God, will be helped and will free itself of those ancient chains.

Certain aspects of the human consciousness are unknown and in this cycle of Armageddon they show themselves with the strength and autonomy that they have. They are like independent people who always did what they wanted, who always conquered what they wanted to conquer.

But, in this last era of humanity, the principle of the Law of planetary Purification comes to purge, from those who accept, all those human attitudes, so that the true codes of spirituality and Christic life can be established.

The first step, even if it is not conscious, is to aspire to detach and to release itself from what has bound the consciousness, for so long.

The surrender before the Sacred Heart of Jesus will help to resolve the movements that provoke the action of those aspects, bringing peace and the confidence that, someday, the old man will die and the New Man will be born, full of the Love of Christ.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
