Daily message of Mary, Rose of Peace, transmitted during the journey from Santa Fe to Córdoba, Argentina to the visionary Friar Elías del Sagrado Corazón

May you feel My Peace today, because you are in the place and at the time which you are supposed to be.

May an unchangeable faith be built within you, so that the unity between your consciousness and God can reign.

May you be calm, because everything that happens is for the good of the universe and your evolution.

May you not fear anything, because if I am here, nothing or no one can harm you.

May you live at this time the joy of serving God, the rejoicing of fulfilling the Will of the Most High.

May you not get tired of walking, because in spite of the stones on the path or the difficulties that may arise, if you are truly united to My Heart, all will tremble, but the inner fortitude will be unbreakable.

At this hour, may you offer yourself for the planet, for its Kingdoms and for all that exists and lives here, so that you can allow the Plan of Christ to triumph on Earth with your minimum effort.

May nothing or no one oppose My children, because I will tread on their head as I did on the serpent.

May no one tempt the Will of God, for he will not know its outcome.

May the wolves dressed in sheep's clothing be set aside.

Let nothing opposed, apparent or contrary to the Light of the Plan prevail.

So be it.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
