**MESSAGE FOR THE MONTHLY APPARITION IN THE CITY OF CUIABA, MATO GROSSO, BRAZIL,  
TRANSMITTED BY MARY, HOLY LADY OF GUADALUPE, TO THE VISIONARY FRIAR ELÍAS DEL  
SAGRADO CORAZÓN**

Dear children,

From my chest, with My hands I extract the Most Pure Heart of God, to offer it as a Source of Graces and reparation for the whole world.

My children, from My Essence springs kind compassion, which I bring to you in honor of the Most High God and in the name of the Mercy of My Son. Thus, with all of this love, I embrace you tightly and take you by the hand so that you do not fall on your paths, the paths of God.

As the Mother and Queen of the Americas, I come to ask the entire Mato Grosso, and especially all of this region that has gone through so much pain, suffering, persecution and death, I come to ask you for the consecration of your lives to My Immaculate Heart. In this way, I Myself will pour out the Graces that you have so much expected for so long and, in consequence, I will help to avoid the great Divine Justice upon this part of the world.

I have come here to remind you that I Am the Center of the Maternal Love of God for the Americas and the world. Through My Supreme Grace, and under the intercession that I have offered for all My children of Mato Grosso, I come with the spiritual intention of awakening you to the call of prayer for peace, in this place and in the world, and of selfless service, so that you may immediately manifest the charity that many of you do not live.

Within My simple words can be found the presence and the voice of God, the Beloved Father, Who waits for all His children to return to Him so that they may live in the Universe of His Infinite Mercy.

I Am the Guadalupan Mother, I Am the great Lady and the Portal of the Sun that comes from the Universe to intercede for all Her children of the Earth; I come to again unite the peoples and the races, I come so that those who still do not believe in God nor in Me may accept the divine help that the Cosmos of Christ brings you through the offering of My Immaculate Heart.

I pray for you, without time nor space, and I hope that your praying voices can be heard upon Earth as in Heaven. As more souls respond to My call toward Peace, forgiveness, healing and reconciliation, the Apocalypse will then not be fulfilled and the race will be able to be redeemed at the moment of the Return of My Son to the world.

So that this may happen, I ask you, dear children, awaken! Awaken! Awaken to the Will of God! to the supreme call for a profound shift in human consciousness and in the lives of all beings who today live on Earth.

To avoid that the Justice of God may descend at this very moment upon some parts of the world, I

need your spirit of prayer and apostleship to be at the service of My Most Sacred Heart, because if you do so, I will be able to fill you with My Light, with My Love, with My Peace and with the Mercy of God.

My Heart needs to awaken in your lives in time, with the aim that you may perceive the great emergency in this end of time.

I thank all of My children of Cuiaba for having responded to My call for Peace and tonight I wish that all the groups of prayer may together pray the Holy Rosary for the Mercy and salvation of the souls of My Sacred Middle-East.

I ask you to do so before My arrival in Mato Grosso; Heaven will thank you.

Thank you for accompanying Me!

Your Mother Mary, Queen and Lady of the Americas

Peace for all

***Friar Elías del Sagrado Corazón***

*At the end of the message, Our Lady, as Lady of Guadalupe, greets us in the Aztec language, saying to us,*

**QUE CHUA TLAN NUMKAT SOLKT**  
"May the Universe of God always accompany you"

*And then She said,*

"I say this to you in the Aztec language."
