DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Walk beside me despite the spiritual storms of these times, because in this way, under My unfathomable support, you will learn and will succeed in overcoming the next and unexpected obstacles.

Allow the Ray of My Piety to reach your heart so that, beyond everything, you may remember every day that there is something greater and powerful that comes to aid humanity, which is called Love.

Before wanting or aspiring to know the realities of the Universe, you must learn to deflect the spiritual clashes that come to you.

Therefore, you must act with intelligence and not with negligence. Thus, in the ardent tension, you will achieve to understand, beyond everything, the different times that are approaching and you will know how to act and proceed at the right moment.

Walk by My side so that you may learn from My commands; so that you may be not only a soldier of peace but also a guardian of the Divine Plan, an instrument that can share the Love that I have for My disciples.

Thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
