DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL TO THE VISIONARY FRIAR ELIAS DEL SAGRADO CORAZÓN

New Earth Community: Rose of Redemption

Behold your Heavenly Mother, who carries in Her humble hands the Rose of Redemption, the most precious flower amongst all flowers, the gift that becomes possible in the souls most in need of healing and forgiveness.

Behold the Rose of Redemption, formed by the beauty, love and service of all selfless souls.

Behold the Rose of Redemption, the one that I contemplate, protect and care for the most so that, intact and pure, it may last throughout time and even longer.

Behold, in my hands and in offering, the Rose of Redemption, integrated by the light of each little soul that has reencountered the path towards God and is now in the Arms of your Eternal Father.

Behold, amongst you, the marvelous Rose of Redemption that has expressed the virtues of each being, a Rose that has kept within itself the memory of an experience of love between brothers and sisters, which has become inexhaustible.

Behold, beloved children, the Rose of Redemption, that is offered today at the Feet of the Creator as a testimony that it is possible to live conversion, forgiveness and reconciliation.

Behold now, before your Heavenly Mother, the Rose of Redemption, that holds the aromas of brotherhood, perseverance and the constant battle to achieve the love of the heart and express it in all that exists.

Behold the Rose of Redemption, a Rose that has given new roses and has made many lives beautiful, making them worthy in this humanity and upon this planet.

Behold My favored Rose of Redemption, a Rose that has witnessed your love for Christ and for your Heavenly Mother, a Rose that has persisted before many dry storms and extreme conditions.

Behold the Rose of Redemption, a Rose that has become an example for other roses that are appearing on the path of devotion, unconditional surrender and service.

Behold the Rose of redemption that has gathered the synthesis of all created Kingdoms and that protects the continuity and existence of each one of them.

Behold, My children, the Rose of Redemption, a Rose that has converted sadness into joy, error into forgiveness, bitterness into bliss and faults into profound redemption.

Behold, My children, before My altar, the living Rose of Redemption, a rose formed by the light of your hearts, by the devotion of your spirits, by the constancy in your daily work.

This is the Rose that I present today before the Celestial Father as the greatest fruit, of the impossible that becomes possible, of the unrescuable that become rescuable.

This is the Rose of healing love, love that unites and strengthens, love that comprehends the incomprehensible, love that vivifies that which is losing life.

Behold, children, the Rose of Redemption, the most precious Rose of your Celestial Mother, a Rose that will leave the example that everything is possible, beyond everything.

Behold the Rose of the liberation from the past and of reunion with the essence of life, of the union with the Kingdoms of Nature and with the Creator, this is the Rose that has made it possible to achieve, in this place and in this Community, a sincere path towards peace.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
