DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY SISTER LUCÍA DE JESÚS

May prayer be your first thought before beginning each new day. Think of God, of His Plan, of His Will and, in a simple dialogue with the Creator, thank the Father for another opportunity to learn about love.

Therefore, child, pray for this world and for its Kingdoms; pray for the souls and for all the life that inhabits it.

Pray for the consciousness of the planet and for those that silently sustain this world, within levels still invisible to your eyes.

Pray for the purpose of each being, for the purpose of this planet and of the whole Universe, even though it is unknown to you.

Pray for the Plan of God, not only for your life but for all life, beyond the Earth.

Understand that, just like this world, all other worlds were created with a Divine Purpose and pray that all may find this Higher Will.

Pray for the return of Christ to the Earth, so that all beings may be ready to look into the Eyes of the Lord and recognize Him, and thus repent their faults and achieve Redemption.

Pray for those who must accompany Christ in His second coming to this world, so that all may be awake and their commitment to the Lord may be alive.

Pray for the new life and pray for the new humanity, so that all beings may allow themselves to be defeated and surrender before God, and a new life may emerge from them.

The most important thing in your life, child, is prayer.

Pray sincerely and pray truthfully. Deepen in your spiritual life. Thus, difficulties will not weaken you, nor will the Truth haunt you; but within you, all will be revealed and your inner world will be ready for all cycles, willing to face everything that will come.

You have My blessing for this.

Your Father and Friend,

The Most Chaste Saint Joseph
