

Prayer of Union with the Essence of the Peace of God

Mary, Mother,
my Mother,
Queen of Peace,
may Your sublime rays
radiate to the world;
may Your Immaculate Peace
spring as an inexhaustible fount
within our souls;
may the heart of each brother and sister
reach Eternal Peace
so that, together with Christ,

Our Lord,
humanity may be redeemed
and open the door to Forgiveness and Love,
in honor of the Creator Father
for the many years of Peace
that the Earth will experience.

So be it.

Amen.
