

Prayer of a Heart that is Ready

On [April 4, 2021](#), during the Sacred Week, Our Lord said:

After so much Instruction, so many blessings and Sacred Weeks, I only hope that in this Easter that we are celebrating today, of the Lamb of God, immolated in sacrifice, you can say to God the Father,

My Heart is ready
for what You wish,
for what You expect.

Father, make of my life
an instrument in Your Hands.
Transform this clay into something beautiful for Yourself,
because You, beloved Father,
will always resurrect my life.
I trust in You.

Amen.
