

Prayer of the Steward Angel of the Eucharistic Body of Jesus

On [September 4, 2023](#), a group of monastics from the Grace Mercy Order gathered to pray in the woods of Aljustrel, in Fátima, Portugal, and the Steward Angel of the Eucharistic Body of Jesus appeared to the visionary Friar Elías del Sagrado Corazón de Jesús and transmitted a Message. In the end, He taught us the following prayer:

Most Holy God,
Source of Love, Light and Life,
receive our most sincere offerings,
in glory to You, O Glorious Creator!

Amen.

After teaching the prayer, He said:

"As from today, you will say this prayer at the end of the Holy Rosary so that, through the offerings of the Children of God all over the Earth, Mercy rather than Justice may descend; and the Heart of God may be repaired from the offenses of the world, from hatred, revenge and war in nations so that the peace of the Angel of Portugal may be established before it is too late. I thank you for listening to the Message of God."

On the following day, during the 117th Marathon of Divine Mercy, Our Lord instructed us even more about the Angel's prayer:

"Yesterday the Angel that guards the Eucharistic Body of Jesus taught you a simple prayer, which completes the prayer of the Angel of Peace. A prayer that will allow and grant, to all the souls that say it, that the offering may be accepted by the Eternal Father at each moment of communion, prayer and adoration to the Sacred Heart of the Son of God."
