Phrases extracted from the daily messages of Mary, Rose of Peace

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			<p><b>1</b> Today I come from Heaven to give you My Peace, that powerful energy that no one can take from you.</p>	<p><b>2</b> My children, if your lives are in peace, your people will quickly abandon this wreck they placed themselves in.</p>	<p><b>3</b> Today I come to offer you this true and spiritual peace that will free your beings from the constant errors that cause you to never find the Love of God.</p>	<p><b>4</b> I open the perfect door for you for that experience of love and of redemption where the wellbeing of a sibling will always be your fruitful goal.</p>
<p><b>5</b> Happy are the steady and the persevering in the conversion of the heart, for they will never be lost and they will find God everywhere.</p>	<p><b>6</b> Dear children, today I come to teach you about the path of redemption, which is being forgotten by all souls, a path of transformation and of surrender.</p>	<p><b>7</b> Dear children, if your lives do not change in the way that God needs them to, the world will not be able to change.</p>	<p><b>8</b> Dear ones, if souls do not soon do something that will move the Heart of God, so He may pour out His infinite and powerful Mercy, I cannot tell you how it will all end.</p>	<p><b>9</b> This is My call: give witness to the Christ within you so that My Beloved Son, offended by the horrors of the world, may be seen in the hearts that accept redemption.</p>	<p><b>10</b> Children, I am with you and with all those who plead to the Celestial Father for greater help. Evil will never prevail, but it can do a lot of damage.</p>	<p><b>11</b> Be disseminators of the Love of God and of the unbreakable unity between souls and God, and thus you will also make My Immaculate Heart triumph.</p>
<p><b>12</b> All the human and spiritual efforts that My servant children make are recognized by the Celestial Father.</p>	<p><b>13</b> A form of Grace and of inner atonement is granted to that soul that, opening its heart to God, hears the request of fulfilling the Works of Heaven.</p>	<p><b>14</b> Dear children, today I invite you to follow the path of sacrifice for all of humanity so that your lives conquer the sanctity and the fullness of always serving My Son.</p>	<p><b>15</b> Dear children, continue brave and serene, continue meek and strong on this path of consecration to the Plan of God.</p>	<p><b>16</b> When a heart repents and does not cease to try thus every day, the spirit itself gradually acquires an ever greater virtue.</p>	<p><b>17</b> When the heart repents and confesses to Christ, its soul gains room to be able to banish what for a long time has disturbed it.</p>	<p><b>18</b> Dear children, purification requires a total detachment from all of those codes that do not allow the life of the consciousness and all of its existence to evolve.</p>
<p><b>19</b> Children, to banish the old codes of humanity is not easy; the constant assistance of the power of prayer transforms all things, if only the spirit of patience is active.</p>	<p><b>20</b> The lack of filiation with God generates discord and darkness in hearts. The Eternal Father renews all things, and conceives of the most special Graces for the hearts that trust.</p>	<p><b>21</b> Each wayfarer soul of the Cosmos reaches this sacred planet to learn about love. Every soul that goes through this school comes here to forgive and to learn something.</p>	<p><b>22</b> Beyond all error or sin, seek union with the Eternal; in this way, you will open the way so that Grace may convert the hearts that are hard.</p>	<p><b>23</b> Think for a moment about all that your Most Holy Mother can do with the output of your prayer, and how many deported souls in this world rediscover the path to forgiveness.</p>	<p><b>24</b> The more souls that recognize the importance of praying from the heart every day, the greater will be the divine effects on the world and especially on the causes of conflict.</p>	<p><b>25</b> So that the Love and the Justice of God may reign, I come to ask you to plead with Almighty God, because humanity is deviating from its true mental and emotional coherency.</p>
<p><b>26</b> If the power of prayer, children, were not truly more potent than everything that happens, the entire world would enter into a great spiritual and planetary failure.</p>	<p><b>27</b> It is to avoid a punishment, which could mark humanity, that your Most Holy Lady of Heaven descends to the world so that Her children may ask for mercy and redemption.</p>	<p><b>28</b> Dear children, as long as war lives and is reproduced in the heart and in the consciousness of humankind, peace will not exist in the world.</p>	<p><b>29</b> All those hearts that assume a posture of inner devotion to My Most Holy Heart of a Mother will be helping to strengthen that devotion in the planetary consciousness.</p>	<p><b>30</b> I lovingly come to show you the path of consecration to God, in the name of all those souls that, with a commitment to Christ, have moved away from their true purpose.</p>

Phrases extracted from the daily messages of the Chaste Heart

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
			1 God calls you to remember.	2 May your own consciousnesses, touched by the Presence of the Divine Messengers, be able to find the lost path to your origin.	3 Those who can hear and who meditate the words of the Messengers of God will understand they conform a same thread of light that tries to lead humanity to a single awakening.	4 Seek to know, in your lives, at what point you are failing when it comes to the Kingdoms of Nature.
5 Your work group must be single, united with the Purpose of God.	6 I come to the world so that you may know sublime realities of existence that will lead you to a higher quest, to the surrender of life to a Greater Purpose: the Purpose of God.	7 All together, you will be able to lead humanity into a transformation.	8 To be a prayerful consciousness is like rowing against a great current of inertia, distractions, and a search for pleasure and gratification.	9 Be conscious in this world, which is blind.	10 You must begin by changing your own deepest interests.	11 During prayer, observe where your mind takes you and what is more important to it than the act of prayer.
12 Ask yourselves: "What is more important to me: distractions or praying to reverse the situations on the planet?"	13 When you are faced with a desire that does not take you on an evolutionary path, ask yourselves: "What is more important to me: that? or to fulfill the Will of God?"	14 Review in your own inner being, dear ones, your priorities, your desires, and your aspirations.	15 While you pray, ask yourselves: "Why am I praying?" And if the mind responds: "So that others can see me pray", then tell it: "Very well, now I am going to pray for the planet".	16 Transform with peace, with love, and with joy, but do not cease to take one small step each day.	17 Take the steps that God expects of everyone, for there is not much more time.	18 Pray from the heart for peace on the planet.
19 Radiate redemption, love, faith, and peace to your brothers and sisters that are in the world and do not know the Power of God.	20 Pray for those who are in the last moment of their lives and that are leaving this world in the ignorance, in the abandonment, and in the sorrow of their souls.	21 Pray today for those who are imprisoned in the illusions of the world, those who materially have everything, and nevertheless, are empty of God.	22 Pray so that humanity may understand that the greatest treasure is the one that is found when they give it all for love of a fellow being and for love of the Kingdoms of Nature.	23 Empty of yourselves, you will be filled by the Spirit of God.	24 Pray for the poor and the hungry, so that they may understand poverty as an opportunity for finding simplicity.	25 Pray for the imbalances of the world, because the rich and the satiated, in all things, must learn that everything was given to them by God so that they may share it with their fellow beings.
26 Pray for the young people of the world to awaken to higher life.	27 Pray for the Kingdoms of Nature, so that the spirits of each species, which are already so tired of supporting the world, may fulfill their mission until the end.	28 Pray, but also serve. Give of your word, but also your hands and the sweat of your brows.	29 Ask for the Kingdoms, but also take care of those you have by you, and those that come into your lives asking for help.	30 Be simple and joyful in all things.
