

Christic Impulses

December 2017

Phrases extracted from the daily messages of Christ Jesus

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
					1 While the world collapses by its daily actions, I ask you to submerge your consciences in the powerful Source of My Divine Mercy.	
3 In these times, the consecrated souls are entering in the apex of strong experiences and learnings, which will allow them to mature with wisdom and discernment.	4 All that was learned with the spiritual instruction from the past has generated the possibility that now Heaven may give you the yields of faith and peace for your sincere efforts.	5 Dear ones, My Love reached once on the Cross, has the power to entirely transform your lives, from the night to the morning.	6 That soul which consciously works with My Divine Mercy will be helped to practice good and loving actions for its fellow beings.	7 Consecrate your life to My Path. Live Me every day as the only and supreme passion of your life.	8 Remain in My Arms during the night and feel the complete assurance that you will always be well in spite of the circumstances.	2 That in this hour of Mercy your feet walk firmly towards My Kingdom, so that I may soon recognize that My Heart serves Itself of apostles in service and in abnegation.
10 My soul, the Lord wishes to convert you into an empty instrument, so that over you, dear soul, the Grace of My inner Presence may be poured.	11 Give Me everything that you keep and that you control as a treasure; before the Glory of My Mercy, the setting aside of yourself counts much to be able to initiate a new path.	12 Do not allow, My soul, that rivalries be installed in your consciousness; live in My Peace and always build a castle of love for your fellow beings.	13 Surrender yourself entirely into My working Hands and you will soon see, My soul, how it was necessary that you detach from yourself long ago.	14 Dear soul, always maintain a spirit of sobriety and of simplicity so that the tests in these times are not greater than your capacity to love and to forgive.	15 Your Lord of Mercy is pleased by your giving Him your spiritual affection; and when you become discouraged, let the problem be solved by My Unfathomable Wisdom.	9 My soul, dress yourself in the garment of purity so that the angels of Heaven may receive you free and surrendered to My Heart.
17 Unit to the Christic Spirit and allow the Grace of God to act in your hearts, in this way the world will see itself relieved of all evil.	18 He who fully trusts in Me, will lose nothing. I will always give you the key to open the correct door.	19 Celebrate in God the Divine Mysteries of the Birth of Christ, opening the doors of your inner dwellings. I'll be grateful to souls for uniting for an instant with My Greater Work.	20 Know as of now that I Am the Forgiveness manifested. I Am your faithful companion, that learns next to you. Stay in My Peace.	21 Recover your strength, My servant, in the Source of My Mercy and let Me guide forever the steps that you must take in your life.	22 Be consequential and firm in this end of time. The merciful prayer will be the inextinguishable flame, it will be the shield against everything.	16 I desire to institute the fraternal, devotional, and loving spirit that many soul lost; those that unite to this christic impulse will receive the Graces of God over their lives.
24 Keep My Sacred Presence in your heart, live Me fully in happiness and in joy, because the Lord calls you so that you find the Supreme Truth in my Merciful Heart.	25 I want to leave a Pastoral Embrace, an affection from Master to disciple and from Friend to companion, because I know what it means to the souls to be consoled and understood.	26 The protection of My Heart will always be over My servants, and I will not allow anything that is not My Light to touch them.	27 Today, let Me take care of your difficulties, give Me what you are, this way, I will be able to realize My Projects over the Earth.	28 In My Kingdom there exists a place for you and in that place you will be able to feel safe because you will be within My Heart. I await your perfect decision. I wait for you.	29 I call you to gather strength from the heart. That Infinite Light will never go out because who is in Me will always be supported.	23 The souls are easily deceived by everything that the enemy places before them, and as if it were nothing, they forget that I Am here in this world, in a Spirit of Mercy.
31 I leave My special paternal Blessing for all. I send you a Ray of Love from My Sacred Heart. Blessed are those who truly live in God; theirs is the Kingdom of the Heavens.						30 Leave your intentions in My Hands. Walk in confidence by My side so that I can guide you. I Am always with you, in joy as much as in the tests.
