

**Apparition of the Divine Mother.  
Hill of the Redeemer Christ, Carmo da Cachoeira, MG, Brazil.  
Monday, March 26, 2012, at 10 AM.**

Following the request of the Divine Mother, we started the procession at 8:30, so we could start the prayer at 9am.

We were gathered, around two thousand people, and when we arrived at the feet of the Redeemer Christ we started praying to collaborate with the Celestial Mother. After an hour of prayer, Her energy notoriously approached and at one point the apparition began.

Friar Elias: Let's say a prayer that the Divine Mother transmitted, a very simple prayer, while we walk to the area where She is. We will remain in prayer while we move until She indicates and starts to transmit Her message.

The prayer is as follows:

Most Sacred Heart of Jesus,  
I trust in You.

While the whole group prays, Friar Elias and Mother Shimani, with other brothers who collaborate in the apparition, move to the place that She indicates, among the public.

Friar Elias: The Divine Mother says:

Message for March 26, 2012.

Dear children, may My Celestial Glory be in your hearts.

Thank you for answering My call once more. I am now with each one of your hearts. Because of this, for today, dear children, I bring you the presence of My Son, a simple way of living Him and His presence in your hearts, in your lives and, most important, in your families.

Strengthen yourselves, dear children, not only through prayer but also penetrate the heart of My Son so that He may guard you and protect you in this time of trials. If you walk with Me, dear children, I will always bring you in My hands, hold you strong and elevate you towards the Kingdom where Christ is. Before

He returns to your hearts you must be ready, not only in forgiveness but also in love, in reconciliation among yourselves.

Today I bring you, dear children, the presence of the Glory of the Father, so that you may convert your hearts into a pure flame that is alive and resplendent before My heart. I accept your offers; for this, open your hearts, not only to feel My heart but, even more, so that My words deepen into your souls and the inner temple emerges, the one you must always search, especially in this time of change.

Dear children, accept to live in the Temple of God, He needs you there and in there I may seek you at any time of the day, because I will see you in prayer, not only for your families but also for the world which needs peace and conversion.

Because of this, I reveal to you, dear children, that the conversion in each of your hearts has already started. Begin to live the truth, so that purity may emerge, the purity that today I bring you for love and redemption in each of your lives. Accept to live in My forgiveness, dear children, so that your families may reconcile and feel the presence of My Heart as a sign Peace in each of your homes, in all cities and, especially, in the world.

Those who don't listen still have time, because of this I invite you to be in prayer, to live a prayer of the heart so that Heaven may answer; not only through My presence over the heart of this world and of humanity, but also through the presence of God. The presence of God needs to be affirmed in your hearts so that each one may find the way He is revealing to you through Me, through My Immaculate Heart.

And if you consecrate yourselves to Me, many more souls may consecrate themselves and I may say that My Heart has triumphed in this time of purification. Purification that the world will live by the Law of God for the redemption of all hearts and, above all, My children, those little ones you call Kingdoms. All are in the process of redemption, because of this, accept My merciful flame, so that, united to Me, they may find peace, love and reconciliation that will be necessary for God's forgiveness and to erase the past.

Then you may be born, My children, as new souls that contemplate the Father in

this time of transition, when the Heavens come closer to the Earth and all Angels that belong to God help the world, aid the hearts, all that need help and all that have distanced themselves from My Maternal Heart.

Let's pray, dear children, for all those who now need the Light to keep going. Now I open My hands, extend My arms to welcome your prayers. My Heart listens and My Voice reverberates as a deep echo in each of your lives.

The whole group prays "Luminous Bird".

Friar Elias: To honor the presence of Our Mother, let's sing together the song "Ave, Ave Maria".

Everybody sings the song.

Friar Elias: The Divine Mother says:

Beloved children, may the peace of Heaven be perpetually in your hearts.

Thank you for answering My call.

May the Peace of the Father deepen into your hearts, so that they open up and meet the eternal light that I bring you for Love and for Truth. Amen

In the name of the Father, the Son and the Holy Ghost. Amen.

Mother Shimani: Let's sing "Luminous Bird".

Everybody sings the song.

Mother Shimani: Now Friar Elias will make a report about what happened during this task.

Friar Elias: Before the apparition, a symbol emerged in the sky: it was an image of the planet, in a small size, and there were stains in many areas of the planet. At one point a group of angels showed up and circled the planet. On the planet there was a chalice. Afterwards, two angels appeared and each one brought a chalice, making three chalices. These three chalices were poured over the Earth. They held clear waters that flooded the planet. In this moment the angels cleared the planet's stains with their hands.

Then came the apparition, and it was very strong. She presented Herself as Queen of Peace and also brought a spontaneous and unexpected surprise.

When She showed up there was a sign behind Her: high up in the sky was Christ, as the Sacred Heart, and He started to project His Light over the public and over the town. In this moment a triangulation was formed: a dove that represented the Holy Ghost, under the dove was Christ and under Him was the Divine Mother.

But afterwards, the Divine Mother rose up and placed herself on the right side of Her Son and She told us:

“My Son has granted a special Grace for today, because My Son is a part of God.”

That is why She answered Him and obeyed Him. At this moment She said that the special Grace was that She could come closer to Her children of this humanity. Then She descended and approached the area from where we transmitted the apparition.

Before She said Her words, She showed a shield in Her left arm, which moved from left to right. In this shield there was a symbol: a silver Christian cross and a letter M, as on the previous day; the symbol on the shield was powerful.

Then the Mother made the shield disappear and started to contemplate us and to pray in silence. Sometimes She lowered Her eyes to look at us, She did this with much love, and She brought a piece of Heaven that was placed on each of us.

Thank you.

Mother Shimani: It looks like this isn't over, because tonight we'll meet at the Hill of the Apparitions (Colina das Aparições) to wait for the Divine Mother.

Today, by Her request, we will inaugurate the bell tower on the hill.
