

**Apparition of the Divine Mother.  
Brazil, Carmo da Cachoeira, Community of Figueira, Hill of the  
Apparitions.  
Monday, March 26, 2012, 7:40PM**

A group of approximately two thousand people was gathered at 6:30PM at the Hill of the Apparitions to start the attunement in preparation for the coming of the Divine Mother.

A little after 7:40PM the energy and the presence of the Celestial Mother were presented in a very intense way.

While everyone sang the canticle "Mercy Mary" She asked Friar Elias, Mother Shimani and the other brothers who accompany the Apparition to approach the bell tower because that is where She would descend.

During the canticle "Mary of Nazareth", the group moved to the bell tower and all the brothers and sisters who were farther from this place were also asked to approach.

The 33 rings that announce Her Apparition were heard.

Friar Elias: By the request of Our Divine Mother, we will repeat the last strophe of the prayer "

In the name of the Christ of Light,  
I confess myself before Him  
so that He may forgive my actions,  
my thoughts and my debts to God.

Everyone repeats the prayer for a few times.

Friar Elias: The Divine Mother says:

With joy dear children, I close this end of the month with the triumph of My Immaculate Heart.

Today I bring you the little boy in My arms so that you love Him, contemplate Him and imitate Him. In this way you can arrive at the Kingdom of the Father and every purpose that comes from God will be a sure thing for your lives and your hearts will be transformed by answering My call daily.

Dear children today My Heart is happy and I reveal to you that a part of My Universal Plan is being fulfilled through the call of all My children who have been following My Voice in the past century.

Celebrate, celebrate, dear children! The Lord is in His Glory.

Today I bring the ray of My Mercy, the one that sprang from My Son that will save you and relieve your hearts.

Beloved children, today I celebrate with you and in the presence of My little boy. I call you and I praise you from the depth of My Heart.

Dear children, accept to live the Mercy of Christ in this last hour because He will lead you to the Father, to the Heart of the Father, to the Celestial Light.

Smile today dear children, because My Heart also smiles and irradiates peace to the world, more for those who need light, who do not listen to God and who are in the dark because they still have not found the path. For this remember, dear children, a mission I leave to each of you at the end of this month: Pray! Pray with the heart, meditate on the words you repeat because in this way you will contemplate with Me in the devotion to My Immaculate Heart, to the Celestial Light that I am bringing to each of you and to a sick humanity that must heal itself through prayer as the only exercise for your lives.

Dear children, this will keep you close to My Father and in this way I can be by your side, not only as a Guardian of Peace but also as a Protector of the souls in the Justice that the world will live in this last hour of changes and trials.

Dear children, also today in this night of adoration to the Holy Heart of My Son, I carry in My hands the contemplation through the beads that the Father perpetually asks Me to pray for all the hearts of the world who must be redeemed and rekindle in light and in peace.

Dear children, accept the ray of My Peace so that it can spring from your hearts and reach your brothers and sisters, all those children who need peace. Dear children, you have already felt the presence of My Peace, this will prepare you for what will come in the tranquility of the heart.

Friar Elias: Now the Divine Mother is making a request to each of us. She needs our consent, our answer.

She asks that the question She just asked to be transmitted to each of you. She asks, for love and honor of the redemption of the planet and especially of humanity, for the construction of an open square of prayer in this place. But She asked for something else so that this redemption can happen and so that Her plan can be manifested. She asks if “for love, you allow that an image, a statue of the Divine Conception of the Trinity, is placed here, a white sculpture that, with the bell tower, would be the center of this open square of prayer”.

The public says “Yes”.

Friar Elias: The Divine Mother says:

Dear children, know that many will go to Heaven and others will go to purgatory, but now the most important thing is to work for the world, for redemption. Know that in this deep union with Me I will wait for you open and resplendent through the love of My Immaculate Heart. I thank you deeply for the trust in the Father and, above all, in His Servant.

The image of the Divine Conception will be a fountain of Graces, not only for this place but also for this part of the world. Dear children, you will be imitating My Heart and the strength of your prayers will be placed in it so that the opens up in Heaven through My Presence and My rays trace the Earth so that you can feel My Heart.

This square of prayer will help you to open your hearts in the inner levels and to get to know My Merciful Face even more, My Face of Peace and My Redeeming Face as a servant of Christ.

There is something else I ask you, dear children, that each time you come to My Place to pray, you hear the bell if it is ringing in that moment, it is because there My Heart will signal to My Presence on you and on each one of you.

Today I also bring you the little boy, not only so that you can contemplate Him, but also so that you can recognize Him as the path of conversion because if

convert yourselves into children you can come closer to Me. It is so simple My children, what the Lord asks of you and this is the Grace that will allow the conversion of the world and of the greatest number of souls that must be united to My devotion so that My Son receives you, holds you and leads you to the Father.

This is the purpose of My Heart which for centuries has been announcing this call because it is the transformation of the heart that will give you sustenance to keep going on the path to Paradise.

Dear children, pray for your brothers and sisters of other faiths because the time will come to unite the feeling in one only God that has existed for a long time, before you existed. For this praise the Creator, love Him deeply so that He can be close to you not only through My Heart but also through My Son.

He awaits you perpetually so that, from your hearts, you confess all that the light must erase and convert for love of God, for the fulfillment of His Grace, His Mission and His Will here on Earth. This is why the souls are so distant, dear children, because you do not see God in your hearts.

For this, through My Presence month after month I invite you to renew yourselves through the confession of each of you with the Heart of My Son because in this way you will be doing it before God and helping all those who deny the evil they do.

My children, I call you to prayer at the end of this month, preparing My coming for the next month with joy and reverence. I want to see your hearts shine so that My flames of Grace can be poured over you and they extend as light to all your dear ones and to the whole world.

Today I leave My Protector Heart with you so that you keep it deeply in each of your lives and in this way you carry it as an emblem of Peace, as a reminder of being united with Me day by day.

Also today I leave you, dear children, the seven attributes of My Immaculate Heart that must be the premise for this time and that will help you elevate your consciences to God.

A sign to live them is prayer, the prayer each of you and among you, because in this way the attributes will strengthen your hearts for all that will come as good, as good news for your lives.

The attributes I announce are:

- 1 – Conversion
- 2 – Renewal
- 3 – Love
- 4 – Forgiveness
- 5 – Faith
- 6 – Purity
- 7 – Compassion

Thank you, dear children, for answering My call.

In the Infinite Protection of My Immaculate Heart, in the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elias: Let us sing “Mercy, oh Mary” to say goodbye to the Mother and by Her request while we sing we will hear seven bell rings, establishing these seven attributes in our hearts.

Everyone sings the canticle a few times.

Mother Shimani: Thank you Mother, for all you give us.

Everyone repeats.

End of the Apparition

Mother Shimani: And as we always do Friar Elias will tell us about the events that happened during the Apparition.

Friar Elias: I was just thinking of the work we need to carry out in this next month; it is a true joy in the heart. Today it was almost palpable.

In one moment of the Apparition, when we were still on the other side of the garden, before we came by the bell tower, a group of angels appeared and one of them held a scale with two plates. On one of these plates was the planet and this planet was very heavy. There were other angels that, as we prayed, gathered each sentence, each word we repeated and placed them on the other plate that was empty. With the effort and the obedience of these angels the scale slowly started to gain balance. When Our Divine Mother appeared, She was accompanied by some apostles who traveled the path She made from Heaven to the Earth. They walked slowly until they disappeared.

During the 33 bell rings, the Lady rose up and started to work with the planet. She started to open many spaces of Great Heavens that were three in total and She started making the energy of Grace descend on some continents. Today, especially, She declared it took Her a little longer because She was working in the Middle East and especially on Afghanistan.

Afterwards the Lady started to say Her words; in this moment She appeared with the boy in Her arms. She put Him down and He started walking. The Lady said:

“This is the true boy Jesus, who you must imitate to be able to reach My Kingdom.”

Then the boy Jesus started a task of cleaning, purifying, because He was a very smart boy. He handled the fire in His hands and projected it in the form of rays. He smiled all the time as if He was doing something funny, but He did it with a lot of reverence and respect. This boy was obeying His Mothers request.

Afterwards this boy went back to His Mother, to the arms of Our Lady. In this moment She showed the beads in Her right hand.

During all this time She irradiated Her light and with Her presence She attracted other celestial presences.

At the end of the Apparition She rose to Heaven and on Her right and on Her left two apostles appeared: James and Paul. They greeted us while Our Lady kept the boy in Her arms. At this moment the boy showed that He held a scapulary in one of His hands, the

same that was presented yesterday by the Lady. He greeted us by moving the scapulary.

At the end four words appeared written around the Lady, they formed a square door. The first was above Her and it said **Purity**; on Her left, from top to bottom, was the word **Donation**; under Her feet was the word **Faith**; and on Her right was the word **Hope**.

Thank you all.

Mother Shimani: Everyone who wants to participate on April 12 and 13 in Casa Redención is invited. And on April 24 we have a commitment with Our Lady here in the Sacred Heart Nucleus, on the 25th on the Hill of the Redeemer Christ and on the 26th on the Hill of Apparitions.

Good work to everyone in your prayers, in the conversion, in the lit up heart and let's hope that in a short while we will understand many things.

One more thing I would like to tell you is that because people are uneasy with the process that will happen in August in Aurora, Our Mother told us this morning that on August 8 She will be present in Her annual Apparition in Casa Redencion and also on August 12 and 13 in Her monthly Apparitions.

This means that in Casa Redencion we will work from August 7 to the 13th, during one week. Everyone can come for the whole week or just part of it. So those who need to make reservations and buy tickets, know that we start to work on the 7th and we finish on the 13th. Soon we will give you the details of this movement, the practical things so that everyone is well informed of how we will work.

Thank you everyone.

Good night.
