

**Apparition of the Divine Mother.
Uruguay, Salto, Casa Redencion, Garden of Mary.
Friday, April 13, 2012, at 9 AM**

The group gathered in Casa Redencion, as was requested by the Divine Mother in Her Apparition of the previous day. In this Apparition She transmitted Her Daily Message.

At 7:45 AM we gathered to walk in procession to the Plaza of the Oranges, the place She chose to have Her Apparitions in August, 2011. Around 8:15 AM we started the work of preparation to welcome Her.

Around the hour of 9 AM, after praying the Glorious Mysteries of the Rosary and singing a few canticles, the Divine Mother presented Herself. Friar Elias and Mother Shimani stood up along with the other brothers who accompany the process of the Apparitions. We heard three bell rings and after "The Moment of the Apparition, let us contemplate with the heart."

Friar Elias: The Divine Mother says:

Message for April 13 of 2012:

Dear children,

My Heart is placed on the world in order to liberate the misery of humanity and heal all pain through the presence of My Universal Light.

Dear children, I thank you for being here once more. Open your hearts to receive more children who also need Me and who must heal their pain. For this, honor the presence of My Immaculate Heart because it is the Heart of God that is before you, and honor the Sacred Heart of My Son, that is also before you.

Pray, pray for Peace so that it is reached in the interior of each heart. Thus Peace will exist in the world and the wars will be stopped and everything the enemy wants to build will be eliminated by the powerful strength of My Heart.

But in order that I may intercede for humanity, all of you must be united to My Heart daily. Thus I may lead you through the correct paths that will bring you to

My Son, for this loving encounter that each one of you must realize with the Great Priest of Love.

Live the communion with My Son internally in each of one your hearts, then I can say that one part of My Plan of Peace will be fulfilled in the world. Because each one of you is living in My Son, having the experience of the fire of His Love and of the flame of His Heart.

With these words the Divine Mother was referring to the meeting that the monks of the Grace Mercy Order had during the Holy Week, at the time of the 7 days with Christ that had ended two days earlier.

Dear children, open your arms again so that the Kingdom of My Peace may descend. Know, My children, that this task of Peace is daily in each one of My children, in each cell of this humanity which must be redeemed again and ask God for forgiveness so that it may be born again by the fire of My Spirit, by the Merciful fire of My Son and by the descent of the Holy Spirit.

Today I am happy with you because you are souls of God who are being conducted again to Me. For this, dear children, you must renew yourselves from the heart so that you can see My Flame, My Flame of Peace and My Flame of Love in this entire world that needs the Father and must reverence Him in this ultimate hour.

Today I carry in My hands the prayer of Peace which I place over the world day by day.

Today I came to reveal My prayer of Peace that can lead you straight to My Son and place you within His Heart that is flagellated and must be healed by the love of all of you and by your prayers. In this way, dear children, you will repair His Heart, which is the heart of humanity that still hurts.

Lady of the Graces,
Spirit of Peace,
spring up as a flame in our hearts.
Amen

With this prayer you will reverence My Immaculate Heart and My Spirit of Peace will take you into account for the salvation.

May the world be redeemed in the union of the hearts with Me because you should know that as Mother of Peace I come to aid everyone, but especially for those who have distanced themselves from Me who are also My children. They need My Heart in order to go forward on in the path of redemption.

Drink from My inexhaustible Fountain of Mercy. It is the same Fountain of My Son that is being poured over this humanity and that needs to find in God a new spirit, a new reconciliation for the heart of each of My children.

When the world reaches its redemption, My Plans of Peace will be different and everyone will live in My universal harmony that waits in Heaven to descend on Earth. For this, throughout all these centuries I have only asked you for prayer because the faults of My children are too great and everyone must be reconciled by asking forgiveness from God. If you do this Peace will reign, the one that has been announced a long time ago.

But if still My children do not hear me, what else can My Heart do if not only to repeat the same words that invite everyone to the conversion and to the encounter with God in the Kingdom of My Heart so that My flame continues to spring up in each of My children?

Continue with Me in prayer because to this school of prayer I want to bring everyone so that you may trust Me totally with your lives, in this way you will be trusting in My Son. Know dear children that My Son is close to you, He is not so far away as some people say. You only need to open your hearts so that He will find you and find the rest that is necessary to alleviate His Heart.

If you open your hearts to My Son, Eternity will be shown to you and in this way many other children may reach it, many who are lost in this world and those that not believe in prayer. For this the strength of My Faith and the Power of My Immaculate Heart must triumph one time more, thus the mission of My Peace will be realized.

Today I want to bless My children, the real children that come to My Kingdom

in the purity of their innocence and in the sincerity of their hearts. For this smile dear children, so that not only My children that are adults are in My Heart but also all the small ones that need Me. I bring you all to the Kingdom of My Father so that you may live in Peace. Today I place you in My arms of maternity to unite you with God.

Leave at the feet of this tree any misery of the heart so that My Merciful fire and My immaculate Love can purify your lives. Surrender all that you have, that which you call “pain,” to God. Prayer restores, prayer will lead you, it will bring you to the meeting with Me because My eyes of Peace, My merciful Light will light up the new path that each one of you, before God, must travel in your own redemption.

At this moment we were asked to sing the canticle of “Revelaciones de Aurora” (Revelations of Aurora) and a collaborator from Argentina was invited to approach with her son of two-months, by request of the Divine Mother.

Thank you for answering My call.

May the Holy Spirit be life in your hearts.

In the name of the Father, the Son and the Holy Spirit. Amen

End of the Apparition.
