Transmitted by Christ Jesus to the visionary Friar Elías

Brothers and sisters,

On this day and in a special way I ask the Marian Centers to construct the symbol of an illuminated blue cross for you to carry during the procession of the 5th and 6th days of January. This cross will serve for the liberation of impure spirits that wander without direction or destiny throughout the world.

Also, if you fulfill this request My Mercy will help those consciousnesses that have been tied up for centuries in this world and I will carry them all with Me directly to the Kingdom of Redemption.

The illuminated blue cross during the procession on the evenings of the 5th and 6th days of January will transmute as light all of the evil presences that circulate around the world. This illuminated blue cross will be carried by the hands of a consecrated monk so that the monastic presence, of consecrated life in the whole world, may also be helped by My Mercy.

The blue cross is the living symbol of the presence of Emmanuel. For this the construction of this cross must be done with precision because it must illuminate the inner spaces of the consciousnesses that participate in this Christic procession.

Through this universal symbol of the blue cross, the Lord of the Universe will see from Heaven, with eyes of compassion, the offer of His Children. To those that may walk behind the cross will be opened again the paths that may be closed and God, as Emmanuel, will pour His Compassion during these days, spiritually liberating the ties of those who are oppressed in the visible level and in the invisible one.

In this way the Son and the Father will again be offering an opportunity for those hearts that may unite themselves to the powerful symbol of the blue cross. Because blue will be the Sky that will give the sign of return of Christ, blue will be the portal that the new apostles must cross, blue will be the Heart that in the dark night will illuminate the entire world.

I give you all the simple keys for you to know how to open the doors to redemption.

Under the Love of the Father, be blessed.

Thank you for living in My Heart!

Christ Jesus
