DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDÚ, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN?

My Children,

Your siblings, the missionaries of peace, are already on the way to Uganda, a nation marked by internal diseases, which have led to the illness of the body.

In Uganda there is the consciousness of the extreme poverty and the lack of basic resources to survive and persist in life. But God, children, knows and is aware about all these things and for this, from the beginning He has sent missionaries from different parts of the world to relieve the sorrow that is unknown to many.

By means of this humanitarian mission, My Beloved Son has allowed Me to arrive to Uganda, a place where I have never gone down, but today, in the name of the Divine Mercy, I descend to work and heal through your serving hands.

There are huge realities, different from yours in this humanity, but a great part of it suffers in silence because no one wants to hear the truth. For this I descend upon Uganda as the Mother of the Relief of Suffering to liberate the sick and injured bodies and, as I am the Mother of all, I lovely bring a Grace of liberation for the souls that hope so much to enter the Kingdom of God.

On this day of arrival to the consciousness of Uganda, everyone will discover and know a deep part of the human misery and the abandonment of the simplest souls.

For this reason your Mother of the Divine Word appeared in Kibeho to carry to of the whole Africa an opportunity to reverse all causes and all of the evils.

On these days on which you will get to know the inner Uganda, prepare your hearts to get to know sufferings that are very similar to those that your Master had on the Cross. Because the things that happen in this world today are part of the reflection of indignation and of the transgressive conquest.

I teach you to walk in love and at the same time to recognize that without love we get nowhere. Therefore, dear children, this mission exists so that you may no longer be the same and, from then on, may convert yourselves into soldiers of Christ.

Uganda is a nation marked by the most unpleasant and unknown to many. I send you in mission of peace to help these souls to rediscover mercy and forgiveness.

I thank you for answering to My Call!

I Lovingly prepare you with love to discover the unimaginable,

Your Mother Mary, Rose of Peace
