DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the face of the movements and events of the end of times, My Heart pacifies and neutralizes all forms so that souls may become aware and perceive what is wrong.

This is the time of the greatest challenges and of infinite tests; and there will be only one way to overcome everything, and it is through the love of the heart.

If there were enough love in the heart, and above all, in the consciousness, nothing that will happen would change the development and the awakening of the consciousness because everything would be a possibility for increasing the degrees of love and of drawing to the planet the opportunities that hundreds of souls lost through their various errors.

In this sense, the opportunity to serve and to attend to others will be expanded; sometimes it will only be necessary to listen to be able to open the inner spaces so that healing may descend.

These are times in which everything will be evaluated and nobody will be able to isolate themselves or omit this evaluation because it will be within them. This evaluation will define the next path and the next school and will not depend on the responsibility of anyone, because it will be a moment between the soul and God.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
