**WEEKLY MESSAGE OF THE VIRGIN MARY, ROSE OF PEACE, TRANSMITTED AT THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children:

On the eve of the Nativity of the Lord, may values of brotherhood and love, solidarity and understanding be born in hearts and also in families, so that peace may be achieved in the world.

Therefore, with your gaze fixed on the Holy Manger, reconsecrate your lives as a family to the Holy Family of Nazareth, so that all the values that today are dissolving in the world may once again emerge through the consciousness of My children.

Through the contemplation of the Holy Manger, you will receive on this day the same as the Holy Family received as inspiration from God, for We had the Grace to be part of the great event that simply changed the history of humankind.

My children, I would like you, in these last days of the novena for the reconsecration of families, to place in your prayers and within the essence of the Holy Manger all those in humanity who today will not be able to experience the Nativity of the Lord, due to their life situations and conditions.

I would like the Light, which descended in the humble grotto of Bethlehem, to descend upon the families who need it most at this moment.

As always, I will be united to each one of My children, to all those who in this next Nativity of the Lord will solemnly celebrate the Birth of Jesus, so that Christ may be born again in the hearts of all My children, so that there may be a more just, fraternal and serving humanity.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
