**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Dear children,

May your words not judge the other hearts, may you lips only pray for peace and for love in the whole world.

My children, may your feeling be an emanation of the Love of My Son because through Jesus you will find the source of all love and forgiveness.

May your lives, at the end of this time, be only love and forgiveness, and may your virtues be transmitted through good works. You are My children and all My children must be bearers of peace in the heart and thus radiate it through charity and giving.

Charity and giving are what is lacking among brothers and sisters of the same world. This is why My Maternal Heart comes to you to teach you that True Love is born as a flower in the sunrise.

Dear children, may your arms and hands be always open to welcome those who are most lacking and those who need God the most.

Little children, today I invite you to imitate Me. Today I call you to be true representatives of My message for the world, because as Mother I know that your hearts can be faithful representatives of My words on the planet.

You are under My Grace when I lovingly visit you month by month. But the world, where is it now? Is it living the Mercy of God?

Dear children, as servers and souls in prayer, you are called to be participants and propagators of Divine Mercy, because, with much love, a pure and crystalline love, lives and hearts are transformed.

In your hands is the future of the world and of all humanity. In prayer, in fasting and in vigil, the strength of life for each heart is to be found.

My children, be in My Maternal Heart because the Lady of Peace wants to make you humble before God so that, together with the angels, all souls may live their salvation and conversion, and may praise God forever and ever.

Pray for the shepherds because in them My Son always wants to be.

I thank you!

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity
