Special weekly message of Mary, Queen of Peace and of the Universe, transmitted in the Marian Center of Figueira, Minas Gerais, Brazil, to the visionary Friar Elías

Dear children,

Once more descending from Heaven, after the sacred coming of My Son, to announce My maternal Love for all those who are present and to ask that, in the next year of 2014, My Immaculate Heart may go on a pilgrimage with your help towards the Andean and Central American regions. Therefore, if you help to fulfill My requests with love, the Mother of the World aspires to descend in glory during the month of January of 2014 in Quito, Ecuador and in Lima, Perú, to bring peace.

On this Pilgrim journey together with My children of the whole world, My heart of a healing Mother would like to descend in Divine Spirit during the month of February of 2014, in Bogotá, Colombia, and in Caracas, Venezuela to bring inner peace and the love for peace that My children need to learn to cultivate it in the heart.

Thus, during the month of March 2014, My Immaculate Heart aspires, with your help, to be able to take the Love of My Son and of God to Managua, Nicaragua, and Santo Domingo, Dominican Republic, in Central America with the purpose of uniting all these hearts to the universal call for peace and Mercy.

As in Medjugorje, for the first time in the history of this beloved and needy humanity, My Face of Queen of the Most Holy Peace of the Heart goes on pilgrimage among spaces and nations with the divine Purpose of the Father to be able to fulfill the rescue Plan.

You, My dear children, are the first self-summoned to fulfill My Marian Mission in this part of the world, to be able to consecrate at least the Americas to My Immaculate Heart.

Accept from now on the offering that I communicate to you with a fraternal collaboration in prayer and charity so that these children of the Andes and of Central America may also receive My Grace and Mercy.

As your Sacred Pilgrim Mother, I tell you that My blessed feet walk upon this world through the praying walk of the pilgrims. Thus, you will allow the world to be relieved from the perpetual pain in which it experiences.

Dear children, this is My anticipated invitation and call for all those who with love listen to My heavenly Words: may you next week cultivate a gesture of charity out of love for the fulfillment of the Plan of God on Earth.

For this, I ask you to pray with Me, so that this pilgrimage may take place according to the designs of My Immaculate Heart.

I thank you now and always for fulfilling My call for peace throughout all the corners of this

humanity!

Who blesses and loves you,

Your Sacred Mother Mary, Queen of Peace
