Daily Message of Mary, Rose of Peace, transmitted during the journey from the Marian Center of the Holy Spirit, Cordoba, Argentina to Salto, Uruguay, to the visionary Friar Elías del Sagrado Corazón

Dear children,

Every day I come from Heaven to call the apostles of Light, the unconditional servers of My beloved Son, for the urgency of having servant souls requires going beyond the knowledge and training received.

Thus, every day, through the prayer of the heart that I have taught you, I come to awaken the gifts that still sleep within your souls, souls suffocated by the pressure of the times, by modernities, by sin, because of forgetting God.

My co-redemptive Plan of salvation, in this apocalyptic time, is directed at the immediate rescue of essences under the control of the adversary.

For this to be possible, in the face of the emergency experienced by humanity, My Heart comes to call the apostles of Light, so that through service, prayer and the missions of charity, you may help the most unprotected and ignorant of heart, who are in need of relief, healing and Mercy.

Dear children, the time for showing your gifts and placing them at the service of the Plan has now come. There is much to do and humanity does not want to hear or see out of shame, since the planetary reality that is overwhelming it, obliges it to forcibly change.

But meek and prayerful hearts in these times can be the example of a consecrated and happy life in the Arms of the Celestial Father.

It is time to take care of the planet; it is time that the warriors of Christ awaken to the call and come out of their homes to serve; Pity and Mercy will fill all needs.

I thank you for responding to My call!

One Who educates you in service to Love,

Your Mother Mary, Rose of Peace
