DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

For the most difficult moments merciful prayer will be the portal of salvation in face of serious situations. With the rosary in your hands and the continuous prayer, open the paths so that Grace may descend upon the world.

You are in a decisive time; for this unite yourselves to My Heart and allow that, in spite of the tests, your trust in My Heart may flourish.

Walk without delay towards the Temple of My Adoration and in silence build the walls of peace, those that will separate you from the ambushes of the enemy. Before any circumstance I ask you to not fear because now it is the time of battle through the power of the merciful prayer of the heart.

Do not separate yourselves from Me and live through My Perpetual Faith because It will be the Flame for your paths. Go ahead! Go ahead, soldiers of sacrifice!

Under the Glory of the Father, be blessed.

Thank you for living in My Eternal Confident Heart!

Christ Jesus, the Redeemer
