**APPARITION OF CHRIST JESUS, TRANSMITTED IN THE CITY OF LONDRINA, PARANÁ, BRAZIL,
TO THE VISIONARY FRIAR ELÍAS, DURING THE 5th MARATHON OF DIVINE MERCY**

I will not leave without first marking My Footstep of Light in your steps, because the one who dares to follow Me without understanding anything, without having divine knowledge of My Supreme Will, will not perish, but rather will continue to walk firmly at My side, because My Voice will echo in your hearts to show you the steps of Light, the steps that many must take towards Me. Because it will be necessary, My friends, that many be consecrated to reverse the evil that exists in the world.

Be consecrated to Me in service, in prayer, in daily life, in the dialogue among your brothers and sisters, and also in gestures of love and of peace.

For in this way, I will be able to be silently present, marking the new times and drawing all My friends very close to the threshold of peace, to the portal that leads to Paradise, to the life of a new consciousness that many in these times do not know, because your little lives are full of other things, and My Light cannot enter. But the one who wants to change their life must first surrender it to Me, and in this way, I will provide them with My healing, liberation, My peace and My Love.

In these so difficult times, just see the path of Light, allow things to falter around you, remain firm without looking back, just look forward, toward My merciful Heart; glimpse with your gaze through My Eyes of Light, and accept My inner embrace in this last hour.

I bless these statues you have brought Me, but the real symbol is to be found in the union of your essences with Me.

May this symbol of the statues be the faithful symbol that reflects My Light and My Peace in your homes and hearts.

If you open your door to My Mother, I will then enter and dine with you; I will speak to you of new things to nurture your spirits; thus, nothing will perturb you and no one should fear, because you will be with Me in the Temple of My Heart.

I thank you, My brothers and sisters, old companions of the path, for following in My Footsteps, and especially for praying for this humanity that is in need of a lot of help.

If you open the door to Me, Heaven will descend and you will then be able to identify My Rays and will come to meet with Me to be united in one Heart, in one unity that is God, your Father, Who is offended by this world.

Alleviate His Heart through your love for Me, because upon you I will pour out My supreme Grace, My eternal Love.

I bless all the elements that are here and those that are not here, because on this very special day,

My apostles will wash their feet to erase the past and begin again in faith, renewed by the Holy Spirit and by the Light that comes from God.

After this washing, you will also receive My Body and My Blood as a symbol of the covenant with My Greater Consciousness.

Joyfully commune with My redeeming codes, accept the cross that I give you and follow Me, as I once told you, follow Me in faith.

In the name of the Father, the Son and the Holy Spirit. Amen.
