DAILY MESSAGE OF CHRIST JESUS, TRANSMITTED TO THE VISIONARY FRIAR ELÍAS

If you call Me, I will listen to you, and in an instant we will be ONE in heart, in mind, and in spirit.

Between My Heart and yours there must never exist divisions nor barriers, because My Purpose always will be to bring you to the encounter with the One and Only. You know that time passes and that the changes are approaching; live through the pulsing of My Heart and may your heart beat be the motive for the sublime search.

Find the sacred in each space, and revere that which the universe provides at each instant of life. Seek in the path, the new and unite yourself to My Eternal Heart so that the Light of Heaven may indicate the crossing to My Peaceful Heart.

Just reflect about what has occurred and cultivate a spirit of freedom so that your essence flies close to the House of the Father. Be meek, and answer quickly, according to the necessity. To be a true Christ is to serve. To be a true Christ is to be attentive to the details and to the emergencies. To be a child of God is to live in the Supreme Law and, at least, imitate it.

But in all of the path there is Pure Love, that which will always overcome all pain and all challenge, because the Christic Love renews.

Under the Glory of the Father, be blessed.

Thank you for living My Message with the heart!

Christ Jesus
