APPARITION OF THE GLORIFIED CHRIST JESUS, IN THE CITY OF MONTEVIDEO, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN, DURING THE 17th MARATHON OF DIVINE MERCY

*Water, Blood, Life and Redemption
that flowed from the blessed wounded Heart of Jesus,
have pity, mercy and compassion on all of us.
(repeated seven times)*

I have opened a door for you throughout time so that all of humanity could enter, cross the threshold of My Heart, and become a part of My new redeemed Supper.

But throughout the times and the centuries, hearts did not listen to Me, many did not understand My Message because of finding it difficult to live it.

Thus, My companions, through My Divine Mercy, I bring you the last opportunity, your lifeline, the portal to the great change of your lives.

While I remain silent before you, My Heart beats in your hearts. I do not cease to pour out the Christic flames, precious codes that will allow you to change in time, as God the Father has foreseen.

For this reason, My companions, do not change the path you have chosen. In spite of temptations and deceits, strengthen yourselves through My Divine Mercy, and in the moments when your faith disappears, ask for help from My Heart; keep your hearts in My Heart and I will protect you from all evil.

I come to this nation to give it a last chance. It has been the most difficult to work with for Heaven, because the rest of the nations, dear children, dear companions, My friends, opened the door of the heart.

I am not saying, My companions, that love is lacking in your lives.

The main seasoning for this time will be unity, the one which must prevail above all things, in spite of behaviors and attitudes.

I come to form new disciples, new flocks that can unite through My Heart. The time of separations has ended. My Heart has given Itself to you, throughout these months, so that you could perceive in your consciousness the importance of working in unison for the Plan. In this way, you will be luminous stars that will light up the Earth, which is in darkness in these end times.

Open your eyes; not your physical eyes, but the eyes of your heart, so that you may see the Light that comes to you, the codes that are being poured into you so that you may prevail in this time of chaos.

My Grace wants to reach all of humanity, but My Words are coming to an end.

The cycle of your own confirmation has come. There will not be two paths or two tasks. I Am the only Laborer that congregates you for a greater purpose.

Dare to say 'yes' to Me and you will be able to walk with absolute confidence. You will no longer find any more stones on your paths, but rather you will find your paths open, because I have already opened them so that you can confidently walk, be transformed and purified, as is the Will of God.

Dear companions, feel My Heart present, My Words that reverberate in the depths. I sustain you through the times, but do not say 'no' to Me. I was always present in your lives. In some way, I gave you a true sign so that you could feel Me and thus be able to follow Me on the paths that I propose for you in your lives.

My voice is announced for the last time, before I return to the world in Glory and find the great tribulation, the moment of the great purification of all the beings of the Earth, so that the next cycle may be lighter and souls not suffer.

Continue praying to My Divine Mercy. Among the prayers there is a great mystery that you will soon discover; it is the mystery of real Love, the essential purity, which will fill you and transform you as worthy children of God. Simply hold My last Words in your hearts.

I am going through your lives so as to be able to go through the lives of the others, so that many more are able to awaken and find the consolation they so search for, the consolation that comes from Heaven, from all the sidereal universe.

Today I inform you of an unknown universe, which is the universe of My Heart. Accept it as surrender, as sacrifice and as love, because of the great compassion I have for all of you, but especially for those who turn their backs on Me throughout the rest of the world.

My Heart descends to the world in search of the lost. Heaven congregates in this place to call you as the only chance of returning to the path, the path of God.

I pray for you in My greater universes, and I send My angels to the Earth so they may help you to experience the great transformation, to pray for you to help you, to transform you, to purify you and transfigure you, as I have wanted for a long time; thus your lives may be a faithful instrument of God, without preferences or wishes, full of the Love of God that will transform you completely.

Accept My convocation. This is the last key that I give you.

I will consecrate the bread and the wine as a living symbol of My Body and of My Blood. Happy are those who are called to avail themselves of My sacred Sacraments. Your souls will be grateful for this unique moment in your lives.

Who eats of My Body will live, who drinks of My Blood will resuscitate, and you will not recognize yourself in this life, because I will have transformed you, as God has requested of Me.

I come seeking, in you, that you can awaken the sacred life. If you only take that step, the world will change.

Today I expose My Heart to you as the Blessed Sacrament. Adore and venerate it before the Eyes of God. Adoration, Adoration, Adoration, a life of Adoration of the Heart of Christ.

In My silence, I bless you. With My Love, I fill you. With My healing, I free you. Through My Grace, I consecrate you as new souls in the Kingdom of God.

Trust in what I tell you. Do not lose hope; the time of peace will come and you are called to participate in that through this sacred meeting.

Let us pray to consecrate.

Most Holy Trinity,

Father, Son and Holy Spirit,

I adore Thee profoundly. I offer Thee

the most precious Body, Blood, Soul and Divinity of Jesus Christ,

present in all the Tabernacles of the Earth,

in reparation for the outrages,

sacrileges, and indifferences by which He is offended.

And by the infinite merits of the Sacred Heart of Jesus

and of the Immaculate Heart of Mary,

I beg you for the conversion of poor sinners.

Amen.

(repeated three times)

Those who, in any part of the world, have had the intention of communing with My Body and My Blood, know that you have already done so in spirit and in soul for having invoked the Love of My Heart at this moment.

And to all those who will commune with My Body and My Blood, I invite you to do so for those who do not experience it, for those who forget Me in the tabernacle, and who do not even see Me in the Holy Monstrance.

I invite you to pray for all those who do not experience God, to commune for them as one race, one civilization that walks toward the consecration of the New Humanity.

I thank those who are persevering with Me and who pray from the heart for the fulfillment of My Project, My Project of salvation and peace.

I thank you.

In the name of the Father, the Son and the Holy Spirit.

Mother María Shimani de Montserrat:

To understand the Words of Our Lord, it is not only necessary to open one's ears, but one has to try to perceive with one's heart what exactly it is He wants to place within it.

And another thing we have to also do is know that each word is for each one of us; it is not for the other, because sometimes we think that those words are not for us. And sometimes we miss the opportunity of being instructed and guided, of repairing a deviation in our path, because we think that the Words of the Lord are for other brothers and sisters.

So let us open our heart and always know that each word is for each one of us. In this way, we will never miss an opportunity.

Friar, what can you tell us?

Friar Elías del Sagrado Corazón:

Today, Christ, in an unusual way, exposed His Heart as if it were the Blessed Sacrament, and that Light of His Heart expanded toward us.

He also gave an important key for this country, which is unity. He greatly emphasized this, because He knows that we can hear what He says, keep His words, and put them into practice.

Today, at the Apparition of Christ, I felt that He was giving the last alternative. I felt that it was nothing definite, but that it was a call to our inner consciousness.

He knows that we can unite a little more. He knows that Uruguay has a very important task in the end of times. He says that it will depend on our degree of unity that this should take place.

He asked us to set aside the superficial things, our own wills, in order to be able to accomplish the Greater Will. Perhaps we do not understand what that Will is, but if we do what Christ asked of us, of uniting, something positive can happen here.

At the Apparition of the Master, we also felt that he came to open a door here and that only He can open it.

He also gave us an important key, which is Adoration. Something that perhaps we do not know and do not pay much attention to, but just as He said, in the prayer we did at the end, He is present in all the tabernacles on Earth and offered His Heart so that we could adore It and understand many things.

He was very grateful for this opportunity of being here, among us, but He knows we can give a little more, mainly as Uruguayans.

Today He symbolically gave us a mission: to be united so as to be able to carry out that Plan that He foresees for this country. At that moment, we felt that all the angels of the nations were united in this purpose that Christ put to us; and other celestial Hierarchies were also present with Him, writing many things in great books, which we understood to be something in the future that was not revealed. He offered us His Heart so that we could understand what He is asking of us.

He had a lot more to give us, because He said so, and He hopes we will give more to Him so that He can give us more of Himself.

Today we also felt, before Christ, that we were also being seen by God with a lot of compassion.

Mother María Shimani de Montserrat:

One of the things that Our Lord said today is that there are not two purposes, but rather only one Purpose exists, which is the one He asks of us. So sometimes we need to clearly perceive if we are following the Purpose He proposes or we are following our own purpose. Most of all, in this very little country where we are so few, He asked that we work in unity and that we not have two purposes. It will be necessary for us to reflect a lot on this, as to whether we are all really fully focused on this one Purpose, and about what we are going to do so that our unity be real and whole.

Thank You, Lord, for all that You give us!
