APPARITION OF CHRIST JESUS, IN BUENOS AIRES, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS, DURING THE 9TH MARATHON OF DIVINE MERCY

My Voice reaches this world to withdraw it from darkness and from fear.

My Light comes from the Father and is poured out upon the hearts that have fallen.

My Mercy draws closer to your lives and brings the Light that you need in this time.

I come to lift up your lives from the ground. I stretch out My Hands to you so that you can hold fast and follow My Path of redemption and of peace.

My Plan for Argentina is perfect and preferred, but I have need of sheep willing to follow the Great Shepherd, in order that they know new fields and new fruits that I have to give them.

I need your 'yes' for continuing with My Work. Thus, in this month of April, I send you My Mother as messenger and healer, so that She may prepare your hearts for the new time that will come to Argentina.

Each nation has a very important commitment to God. The Messengers of Heaven present themselves in this century again to warn humanity about the steps it is taking and the paths it is following, paths that do not go toward God because they are decisions that are not in the Light of the Father.

Thus, in My great and infinite Mercy, I come to open your eyes to what is new, so that you are able to awaken in time within this chaos that the world experiences internally.

My Mercy comes to free your ties and your sins as many times as necessary, because the Father has granted that I may deeply know you.

My Law of Mercy comes to correct your actions and lives. For this reason, go as the apostles did and announce My arrival to the world. I will come silently to this world, unexpectedly, and I will appear to those that open their heart to Me, and who have constantly prayed with Me for this humanity.

My Father has sent Me again to congregate the flocks that have become lost, and these Marathons of prayer try to congregate all the souls that must return to God, mainly those that are in God must at this moment help Me to assist those who are distant from God.

Thus, I need you to be firm and ready to follow My Path.

I cannot promise you happiness in this chaotic world, but I can promise you My Mercy, My Eternity, My Divinity and My Spirit in the next world, like many saints, angels and blessed ones that enjoy this Christic Spirit.

I come to bring the universe into your presence. I Am the Heart of the universe that deeply beats all the time. I come to bring you the Truth of God for this time.

Meditate on the actions you take every day. Be good servers in this time, in peace. Be proclaimers of the Peace that comes from the Kingdom of My Father. I mercifully love you all the time. I gather you close to My Heart so that you can feel it. My Heart is the manifested eternal Love of God.

Thus, in this so definitive time, I come to remind you of the commitment you made to Me. Your families, friends and acquaintances, nobody will escape being able to know Me in this time.

My Love is stronger than the love that lives in this world. My Power and My Divinity is great in this humanity.

Dear sheep, dear companions, I invite you to prepare this Sacred Week with your heart, this Passion that comes to bring remembrance every year of your time. I invite you, dear friends, to feel My Passion and to meditate on it; in this way, I will be able to grant special Graces to those that do so, and My Heart will be able to free you and heal you of everything you have not managed to release.

In this Sacred Week, I come to remind you of My Passion: the different phases that I experienced in the Passion, because in truth the world does not know what I really lived. Through the Orandum of the Passion and the Transfiguration, I have revealed it to you.

Thus, during this Sacred Week, sincerely offer your hearts to Me. The Altar is open to all. The priest will receive the offerings of his faithful so that all celebrate in the spirit of peace and love.

In this world, it will not be necessary that any other man carry another cross. I have done this for you, dear friends. My Hands and My Body were wounded for you. I closed all My wounds through Love, and in this way, I presented redemption to the world.

But as time goes by, humanity forgets the commitment to Christ. For this reason, God, in His Goodness and in His Mercy, sends His Messengers to remind you of this commitment.

I need you to be able to merge with My Spirit in this next Sacred Week. For this, Aurora will shine to receive My Rays again, as in the beginning. Thus, the angels I send to the world are working hard so that souls can draw closer to the Passion of My Heart and not be distracted by the things the world offers.

I need you to feel My Heart as something true and simple; I need My Words to reverberate in your essences.

Know, dear companions, that this is My last call to the world; in the same way I did once in Rwanda, announcing My Message through Emmanuel, and thus Africa achieved the consecration to My Sacred Heart, not only through the work that God sent Me to carry out in this country, but

also through the missions carried out by the Children of Mary.

There is still much to alleviate in this hurting humanity, but who will dare to carry the spiritual wounds of the body in their hearts. This is a great proposal that I give you today.

Many fear suffering out of love for others. Live the examples of all those that have come through this humanity, of the great blessed and the saints who gave their lives for God.

But in this very important era, My call is for all. My Heart wants to surrender for all. I need all those who have never heard nor seen Me so that My Work can be accomplished in the greater part of this humanity.

The Americas must fulfill their great promise to the Celestial Universe. For this reason, the missions that My Mother is carrying out in each country prepare essences for what will come in the next time.

My Words at this moment are true; I need you to be able to understand this with your hearts. My spring is open for those who seek it, but few risk bathing in My Ocean of Mercy so that My eternal waters can bathe you and close your wounds.

Let all those who hear Me not fear; I come to give you the Love of God, the true Love of the Father that is forgotten by many, because arrogance, ignorance, and indifference reign, roots that produce great evils and rapidly make souls ill, losing their essence and inner light.

But I Am part of you and you are part of My eternal Heart. I lived with and among you; I proclaimed to your lives My sacred saving Word. What have you done with the Gospel I gave you?

I come in this time to seek talents. Why do you hide them in your hearts? It is time to give yourselves much more. God expects the maximum from you. I am here to help you and assist you.

I come to open your eyes to what is new, to the universe, to the Kingdom of Peace and of Love. But few want to live this reality. With the few I can count on, in this era, I will carry out My great Works in the whole world.

In peace, serve your brothers and sisters and all the Kingdoms of Nature, which also perpetually suffer. Nobody perceives how the trees are destroyed and wounded.

You know, dear companions, that when I was a child and went to Egypt, the great palm trees of the desert revered My going by. Does God not live in the Kingdoms of Nature? What are you doing with this so precious world that God gave you?

The hour of rescue has come, the planetary rescue, the rescue of this sick humanity that dies without seeing the Light of God. I come to revive those who have fallen again and to free the impure spirits that condemn many souls in this humanity.

My Mercy is precious, but to live it, it must be loved, dear companions. When will you dare to cross the portal into My Heart? I have precious things to give you. My Word has always been fulfilled throughout the times.

I have converted Eucharists into living hearts and flesh; My Crosses have spilled much blood. All have seen My miracles throughout the centuries. What more does this humanity need? God is present in all places. But can all see Him?

I Am that part of God that comes to speak to you. This emanation of the Source that was projected in humanity and that became a living man, of flesh and bone, who walked among you to share the Word and vivify your hearts, leading you to Redemption and to Love.

Dear companions, I thank you for this great response of yours.

When you pray with Me and unite with Me, remember I will always be by your side. I ardently wish to be in your lives, be part of your blood, of your breathing, of all your bodies. I want to be the living Cell in your cells, the resplendent Light that transfigures and transforms like a Ray of the universe that comes to aid and help humanity.

But everything will begin, dear companions, with your simple and humble 'yes'; thus everything will be consummated.

Present here, I will bless the sacred elements and the images that will bring resurrection for your consciousnesses.

Let this next Sacred Week that is approaching be a true celebration for all, a perfect meeting with the universal Sacred Family.

We will be there, in the heart of Aurora.

Friar Elías del Sagrado Corazón:

While the elements are brought, we are going to pray the Our Father and the Glory with our Master.

Christ Jesus blesses the elements.

When you pray from the heart, I love you more.

Thank you, dear souls, for this simple dedication. I thank you.

Enter into the universe of My Peace and walk firmly in the Purpose. God will always provide for you. Be blessed.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

Jesus is still present, accompanying us. We will wait for a short while until we can respond to a request He made, for us to listen to the Beatitudes He once transmitted in one of His daily Messages.

At this moment, He asks us to continue united with Him in communion, from heart to Heart, feeling His Presence.

Continuing, the daily Message transmitted by Christ Jesus concerning the Beatitudes, of February 15, 2013, is read.
