APPARITION OF THE GLORIFIED CHRIST JESUS IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

My brothers and sisters,

Today, after what you will hear, I would like you to understand My deep aspiration for the Work of God to be carried out all over this planet and in all of this sacred humanity.

For this reason, companions, I leave My deepest feelings to each of you. I leave you this special message as a way out and a possibility of returning to the path that many souls lost on separating from the Creation of God.

Thus, My brothers and sisters, all these things are happening in the times of today, and this does not allow hearts to repent so they may return to the path which they can no longer see.

Today, offer My Heart the very warmest intention of transforming all things, for in this way, you will make the Heart of your Father happy, in the face of so many cruelties that wound the Heart of God.

In this time, I bring you the promise, the renewing promise of My Return.

I bring you peace, I bring you what is good, I bring you Mercy.

Now, on this altar, offer your love to My Heart. That is what I come to seek from each one.

Those who do not truly love, in this time, will not be able to transform. Love like you have never loved; in this way, your minds will be freed of all judgment. While you do not love, you will be troubled. Love every day and try this, because in this way, I will be able to help you conquer higher levels of love that are unknown to the world.

It is that love for all the things of God that will free the world from all its sins, and souls will be able to conquer the Kingdom of God again, which separated from the Earth because of the injustice of human beings, because of the lack of love.

Think about what I tell you. I do not ask you for impossible things, but rather that which is within your reach.

In the Communion, you can offer Me your love. But in your daily life, offer your King the love for your brothers and sisters so that evil may be removed from the cell of humanity.

And now, facing My Celestial Designs, bring to memory the moment before My Passion, when I met with each one of you in a Spirit of omnipresence and of truth, to bring to the world the spiritual resurrection of all fallen souls, through the glorious and positive institution of My Blood and of My Body, sacred elements that constitute the perfect union between creatures and God, between

Heaven and Earth, between the dimensions and the portals. Remember this mystery and rejoice in your hearts for resurrecting the spiritual life.

In the name of the innocent blood that has flowed on this planet in today's times, offer God the institution of My precious Blood as a symbol of reparation and of justice before all sins of the world.

Offer the institution of My Body, present in the bread of Life, as the complete and absolute reparation for all the causes that have degenerated humanity throughout the times. Offer God your forgiveness and reconciliation.

I am listening.

Never forget, companions, that the Love of God will triumph.

I bless you in the name of the Kingdom of God, in the name of the Father, the Son, and the Holy Spirit. Amen.

Go in peace. Live peace. Be the peace in these times of purification.

Now and always, I thank you.

Continue to sing.

Friar Elías del Sagrado Corazón de Jesús:

So as to synthesize a little of what He wanted to tell us, the Master wants us to disseminate, as a form of reparation and balance, that which humanity is unaware of and does not fully value, which are the Mineral Kingdom, the Plant Kingdom, the Animal Kingdom, and the Human Kingdom.

Today, the Master was telling us, through this message during the Apparition, that through the Humanitarian Federation, the Light-Network, and the Communities, He found the necessary conditions for these values to be re-transmitted to the planet.

If it were this way, He says that all that is generated against Creation would be balanced, and that fraternity, as an essence and as an attribute, if transmitted and lived by all, would stop many future events.

It was something that He clarified very well, in that moment of the Apparition. And so it is that He calls us all to work for that Plan of God and for that Creation, and that through this means of communication that is Misericordia Maria TV, these values may be disseminated to Creation, so that humanity would feel motivated to rebuild the planet. The base of all this, Christ said, is love.

We thank all those present and those that accompanied us in this meeting with Christ Jesus.

And for all these Graces: thank You, Lord, for all that You give us!

On that same day, before the Apparition, Friar Elías del Sagrado Corazón received the following monthly message from Christ Jesus:
