APPARITION OF THE GLORIFIED CHRIST JESUS IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

See My Heart, highly outraged by the offenses of the world, and revere it; It is the Heart, the preferred wellspring of all. From My Heart emerge the Rays of Pity and the just causes for all beings. Blessed are they who drink from the Fount of My Heart, for they will be resurrected.

While I am here today, I am also in Africa with all, accompanying you, following your steps and guiding you in the silence of My Merciful Heart.

For through your hands and the walking of your feet toward service and charity, I can act in omnipresence and take with Me souls, those who have suffered most for a long time, whom no one remembers in their prayer.

The time of the opportunity has come before the Justice of God descends; therefore, prepare yourselves with courage and bravery. Do not be afraid to banish that which lives within you and no longer belongs to the Plans of the Creator.

While you live your purification, rejoice your hearts, companions, for the time of your surrender is coming and like many souls, you will be at the doorways of redemption to cross the thresholds to My Heart, and definitely, to be merged into My Spirit of Light; then, at that moment, be My apostles, the apostles of the new time.

Today I carry in My Hands the prayers of many of My children to offer them, through My intercession, to your Creator Father Adonai, Who is attentive to the supplications of all when these are true, simple, and respond to the need of the Greater Will.

In this way, companions, Graces are poured out, first upon the most needy hearts and then, after all, upon you, who, in the last row of My army, will receive the part that is your due, which God has thought of since the beginning.

Already some of My companions have received many Graces on the part of My Heart. In the same way, I hope you can respond to My Greater Call, and in the face of the times of crisis and of chaos, you will be willing to serve me irrespective of what takes place within or outside of you, wherever you may be. In any part of the world, I will be present there, in omnipresence, when you invoke Me through My Divine Mercy.

While My Words are being pronounced to the world today, My Light and My Love are erasing, from your hearts, all the consequences of evil as well as the links you have made with it, so that you can be reborn in spirit and, purified by My merciful Love, you may place yourselves in the ranks of My celestial army, because the time of congregating is coming and all the soldiers will unite during the most difficult hour to be able to serve the Creator, in this time of transition.

While some walk toward their purification, do not look around you at the darkness that surrounds

you.

Look to the skies, because My Light will come to you and I will wrap you in My Mantle as a good shepherd does with his sheep and soon, companions, you will be residing in the stable of My Heart.

Now, receive My monthly Message in gratitude.

Thereafter, Friar Elías del Sagrado Corazón receives the monthly Message of Christ of [April 17, 2015](#).

On this evening, I will consecrate the most precious that I have for everyone, which are My Body and My Blood, perfect reasons for your redemption. Happy are those who commune with Me and accept the path of rehabilitation.

At this moment, companions, under the authority that God has granted to Me, as your Master and Shepherd, we will celebrate the consecration by singing to God.

Let the angels congregate, let the Guardian Angels participate in this opportunity of offertory that can be realized by each of you and, again, My Heart be repaired.

Prayer:

*Beloved Lord, o beloved Christ,
accept our reparation
through our love, our surrender and our prayer,
so that Your flagellated Heart, Lord,
may be alleviated by our devotion to You.
Amen.
(three times)*

Song: "Adonai, Holy Spirit."

Say with Me the prayer of the Angel of Peace:

Most Holy Trinity,
Father, Son, and Holy Spirit,
I adore Thee profoundly. I offer Thee
the Most Precious Body, Blood, Soul, and Divinity of Jesus Christ
present in all the Tabernacles of the Earth,
in reparation for the outrages,
sacrileges, and indifferences by which He is offended.
And by the infinite merits of the Sacred Heart of Jesus
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.

Amen.

While I bid farewell to this Center of Love, elevating your supplications to the Eternal Father, pouring upon sinful souls My Mercy, to honor the God of Love, of Unity and of Justice, I desire on this night for the charcoal to be lit again so as to give the blessing with the incense to the souls present here, whom I have also blessed with predilection.

On this evening, I thank you for sharing the ocean of My Mercy with Me.

In the name of the Father, the Son and the Holy Spirit. Amen.

Friar Elías del Sagrado Corazón:

We wish to share with everyone that today the Master came as the Glorified Jesus, the One we met in the Face He revealed to us on January 5, 2013, and who today came here, to the Kingdom of Aurora, showing His injured Heart. However, in that Heart there was an infinite portal, where there was a great ocean, which He was telling us was the ocean of His Love. And after that, He addressed His Words to all those present and transmitted this Message to us. He said that it is an inner revelation that He makes for each one of us.

And at the request of Our Lord, we will listen to a reflection of Mother María Shimani about this Message, since Our Lord considers it important that we properly understand what He wanted to tell us.

Mother María Shimani:

The opportunity that we are receiving as representatives of humanity should be very clear to all of us.

Never before in the history of this civilization has the Divine Hierarchy spoken so directly to us, guiding us step by step to experience this final transition.

Our Lord is explaining to us that, through our meetings with Him, of soul to Soul, of soul to Divinity, we have been receiving, directly from His Consciousness, codes of a very high value, which will protect us from now until this process of transition ends in this world. And that He is giving us a special Grace through the requests He makes to us, which allow us, by obeying in love and with joy, to settle the debts that this humanity has and to allow for some events that would be very difficult for our humanity, to be avoided.

Because, although we all know that this world would deserve to experience some significant adjustments through those movements that the planet could experience, many innocents would suffer something they do not deserve, and the Divinity, with His love, not only thinks of and feels those innocents, but also feels all those who have gravely sinned against humanity, because we must never forget that for Our Lord, the most lost of the sinners is that victory He wants to offer to His Father. For His Heart, His Love, and His Mercy, nothing is lost.

So we, through this that we are experiencing and sharing together, are providing a great opportunity for everyone and for all of humanity, something that for us would be unimaginable.

When the human being learns to do the Will of God, when they let go of their own will and with joy obey the Supreme Will, many unimaginable things can happen; something so simple as having

gone to Africa, that fourteen brothers and sisters are travelling around Africa doing works of charity, in total obedience and in total service, united to our prayer and that this event was able to avoid many difficulties for this planet.

It is important that we are able to understand what would happen if, as our brothers and sisters were saying in the program of the Sacred Call, we all met together at three in the afternoon to pray for Mercy.

If all human beings revered God, this planet would be a paradise full of life and of happiness for all. Because that was what our Father thought of for this civilization.

With these insignificant things that we do, when in surrender we love and serve God, all the events foreseen can change.

For this reason, Our Lord reveals to us that, when we are united in God, the Kingdom of the Heavens can descend to Earth.

For this reason, we always try to invite you to unite in prayer for this world, to do it from the heart as Our Lord said, without arrogance, in the simplicity of the heart, and so, to definitely change the destiny of this world.
