### APPARITION OF GLORIFIED CHRIST JESUS DURING THE SACRED WEEK, DAY 5, IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Prostrate yourselves before My Heart and drink of My Mercy.

The time of darkness will come to the world, but few will accept it. Happy and true will be the ones who live in My Heart because they will not perish.

Today I bring you the Light of My Most Holy Eucharistic Heart. Therefore, before the Thrones of God, you sinners must also honor the Son of God, because He washed away your impurities, filled your hearts, and alleviated all desperation.

Drink from the Source of My spiritual Heart, which is now poured out upon the world, Light that walks over your beings and extends like a Mantle of Light upon the planet.

See the infinite to My right and the end to My left. Look above Me for the Trinity and below My feet the world. See My hand that points to the Heart.

Do not miss this moment that absolves you. Feel and do not try to understand. The doors of evil are closing for many and My victory is established once more upon the Earth.

Prostrate yourselves on the ground like the apostles of the past. Reverence the Son of God, Who has come to help you in Mercy and splendor.

Contemplate My Eucharistic Heart. It is still present before your little spirits.

Reverence the angels who worship My Heart and participate in this celestial Communion that I am offering to everyone today. Heaven is before your eyes. Even if you do not see it, it resides in your spirits.

Do not try to understand with the mind. This communion I offer you today goes beyond this material Universe. Here you are facing another Kingdom that you have never seen or known. The Kingdom of the humility and poverty of God.

If you are tired, rest in my arms, because I wait for you in the invisible Presence of My Heart.

*Jesus is showing us a chalice that He takes between His hands and He is surrounded by different Angelic Hierarchies, in different shapes and aspects. He is transfigured into light, and behind Him are other universes that lead to infinity, to a beginning. This light not only expands here. The Master is taking it to five continents. He is raising the dead of spirit on five continents.*

*While here, Jesus says:*

I allow you to say all these things so that you realize that I am not here by chance or just to visit

you. My Spirit prepares the New Christs; Christs who will be born from the most imperfect, the most impure, the denied and lost in the spiritual life.

That is why I congregate you as one flock and today you will only be able to stand before Me prostrate on the ground, because God is the one who allows Me to be here, celebrating with you and with many redeemed souls, the spiritual Communion with My Divinity, which is what is revealed today to everyone in the world who believes in Me.

Cry and release your anguish. Your time is coming. The hour of peace.

*The angels are depositing a liquid into the Cup of the Lord. The chalice lights up like a heart and beats in light, in golden light.*

Be quiet. You are not only before Me, but Emmanuel.

Those who cannot resist prostrate on the ground, sit carefully, in order to not disable what God is building and, as if you do not step on the ground, feel the levitation of My Light that leaves you sublime and purer, free from stains and debts.

Encourage yourselves to touch My invisible Spirit with your hands, because I am reaching to the center of the heart of those who open themselves today, humbled, to receive me. Do not waste any time with Me, because these are the last ones before the great Armageddon.

Feel My Light in your hearts, the Light that alleviates and heals, that releases and forgives your past actions. And so this reverberates in the consciousness of your world.

*The angels lay crystals at the feet of the Lord of different colors and shapes, and the Lord says:*

I bring you through this example the presence of your origin, the origin of the Original Project, which is written for this humanity.

*Archangel Metatron has just appeared to the right of our Lord and has a strong light on his forehead and a fire is emanated from his chest, which he collects with his hands.*

*Other angelic Hierarchies collect this fire and carry it to the four points of the Earth at an incalculable speed. It is as if they are here and in other parts of the world at the same time. They are entering cities, villages and continents. The Lord shows that there are conflicts there and this fire dissolves everything in light and harmony.*

Get up. Your bodies are already tired, but the task goes on. Allow My Light to reside in you and leave here transformed, wasting no time along these days.

While I am here with you, I'm with everyone. This Communion is not finished, and I teach you, My companions, that when you cannot commune with Me, do it through the spirit, because with this it will be true and you will have a memory of this day and the days to come, of what I lived with you today, all that I have brought to you in the name of Grace and redemption. Remember this exercise of Eucharistic Communion with My Heart.

And now you will sing to the Christ of Love that resides in you. But you sing softly, as a mother

puts her child to sleep.

Place your hands in a sign of donation, because the Communion with My Spirit still continues. While you sing, gather in your hearts the Communion with My Spirit, the perfect code for redemption. Once again.

You can place your hands on your heart and reconfirm the vow you have made with Me for this life, each one in their degree of surrender and trust, to My merciful Heart. In the same way, may all those who hear Me, on the four points of the planet, do so, because the Communion is spreading towards the planetary sphere, to the spirit of the planet that was flagellated by all of you before My coming to the world and after My Resurrection until today.

See how great is the sin of humanity and how unfathomable is the Justice of God, because My Mercy is sustaining many things. But the Judgment day will come, and by that time the prepared and the most unconscious must be ready. There I alone will separate the chaff from the wheat, the true from the false.

And now, in union with the universe of this planet, which is filled with the spheres of Adonai, receive in glory and honor this day of resurrection, in this material Universe, the Presence of My Eucharistic Body, which after I have gone from here, you will contemplate, adore, and focus on My Heart and My Spirit, for five minutes. Today I institute the planetary Adoration.

Cover your heads with hoods and headscarves, all those who have them, in an act of love and devotion to the Sacred Heart of Jesus.

Let us repeat in honor to God of the Heights so that through this prayer, conceived by My universal and omnipresent Spirit, souls may receive the essence of My Mercy. And today, in this place, as in the Marian Centers, the Holy Monstrance of My Heart will be open for those who wish to drink of My spring of Graces, through sacred Adoration.

With faith and hope before the Thrones of the angels and archangels and the Kingdom of the humility and poverty of God, repeat from your heart:

---

Sacred Monstrance of Light,  
symbol of the Universal God,  
radiate Your principles over the world,  
dispel all cruelties of evil,  
build with Your Solar Rays  
the new essence of humanity.

O Sacred Monstrance of Light,  
unfathomable Presence of the Son of God,  
redeem all that was created,  
restore all that has been damaged,  
reestablish, now and always,  
the Christic Code of the Universal King.

---

Amen.

---

*Fourteen chimes.*

Blessed are those who commune with My Heart, because they thus prepare themselves on this day of resurrection for the feast of Mercy. Remember this sacred request.

In communion with the High, I say goodbye to you companions, on this Sacred Week of redemption and peace for the consequent souls and all the spirits of the world who perpetually seek the essence of My Love.

I bless you under the power God has given me, as His glorified and beloved Son, in the name of the Father, the Son, and the Holy Spirit. Amen

Ring the bells to announce the day of My Resurrection. And now sing to God, the Hallelujah.

*Song: Hallelujah*

---

Holy Trinity,

Father Son and Holy Spirit

I adore you deeply

and I offer you the most beautiful body

Blood, Soul and Divinity of Jesus Christ,

present in all the tabernacles of the earth.

And in reparation for the outrages, sacrileges and indifference

with which he is offended

and for the infinite merits of His Most Holy Heart

and the Immaculate Heart of Mary

I ask for the conversion of poor sinners.

Amen

---

*The Lord wants to hear you proclaim from your lips: Thank you Redeemer for all that you give us!, for seven times.*

Your day of glory has come, and despite the consequences the world is living, do not forsake My way, because I will come for you at the definitive time.

I thank you. Peace to the world.
