DAILY MESSAGE OF THE GLORIFIED CHRIST, TRANSMITTED IN BAHIA LOPEZ, BARILOCHE, RIO NEGRO, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Transmuters are souls consecrated to be victims of the Love of Christ in order to transform, sublimate and liberate the contrary and dense currents that hinder spiritual ascent and the evolution of consciousness.

Transmuters are absolutely at the service of Christ, and, in silence, without recognition or comments, they relieve the pain of the world.

Transmuters are directly chosen by the Hierarchy because this is a task, a need of the Plan, and part of the Divine Will.

Nobody can declare themselves as a transmuter, since that state of consciousness depends on the alignment with the Hierarchy.

In most cases, purifiers exist, which are consciousnesses that, in a permanent and slow way, are purifying themselves, cleaning the spiritual register of their debts and errors through the impulse of a Higher Law that comes to their assistance, such as Mercy.

The Law of Mercy places those who are miserable of spirit within the energy of Grace but, for this to be possible, they must purify themselves.

Transmuters do not have a specific hour or time for this task. This mission of liberating and sublimating, through transmutation, is something the spirit learns throughout time and it has nothing to do with anything personal.

In these times, the Lord will call more transmuters to His service due to the need of the planet and the chaos of humanity.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
