DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

Today I come, carrying in My Hand the Scepter of the Light of God; this announces that the times are defining themselves, first in the reality of each being, to then take place in all of humanity.

For this reason, I come with the Scepter of the Light of God in order to be able to guide My last flocks to the eternal stable of My Heart, so that My flocks may follow the steps that My flaming Voice announces for these times.

We are already in this definitive moment in which the souls will decide to be with Me or not, so that, after these definitions, the Plan may continue its course of concretion, even if the factors or the events change.

For this reason, I come with the Scepter of the Light of God to preach that the final time is approaching and that there will no longer be time to delay, nor will there be time for mediocrities.

As of now, it depends on what humanity will want to live from this next cycle on.

Be attentive to My Words, they will need to be registered in your memory, for they will serve as a net of salvation for all.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master, Christ Jesus
