DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE GUAZUVIRÁ RESORT, CANELONES, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

This is the time for the suns, which have been awake for a long time, to come to know the inner tools that they brought from the Universe and for these tools to be at the service of the Celestial Plan, for the rescue of the human consciousness.

For this reason, the spiritual Hierarchy is assembling the different groups of souls and will continue to do so, so that the purpose of the Plan may be closer to the consciousnesses and, upon being closer, they can, with greater discernment, accomplish what up to now has not been accomplished, for different reasons.

It will be the responsibility of these groups that will continue to be called and assembled by the Hierarchy to change and transform certain tendencies of disharmony and conflict so that the principles of obedience and faithfulness may be the protective foundations that gives impulse to the concretization of the stages of the Plan.

In this sense, the spiritual Hierarchy will bet that these new summonings carried out will finally place souls upon the path of their personal, group and collective mission, so that in this way and under certain rules, they may be guided by the Divinity and by the Heavenly Brotherhood.

Thus, the conjuncture and the opportunity must not be missed, for it will never repeat.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
