DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM PIRIAPOLIS, MALDONADO, TO THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

There are plans contrary to Christ being able to be born in each human heart, plans that intend to prevent souls from becoming aware of their Christifying potential.

This means distracting the consciousness so that it may never come to know the virtues and gifts that it contains and thus it is placed in constant illusion.

For this reason, the Divine Hierarchy emphasizes the end of each year as an important period in which hearts can take refuge in the Spirit of the Sacred Family, so as to be able to draw closer to that inner and Christic reality.

Each time a consciousness achieves contact with its inner Christ, it is allowing its spirit to draw closer to material reality and, in this way, give it the impulse to take greater steps toward the fulfilling of the Greater Will.

But upon this path of carrying out Divine Will, there are tests and difficulties so that the consciousness may strengthen and affirm all the light that can emerge in the heart.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master and Lord, Christ Jesus
