**DAILY MESSAGE RECEIVED OF GLORIFIED CHRIST JESUS, TRANSMITTED DURING THE JOURNEY FROM SÃO PAULO, TO THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

I know in the depths of your being; what you were, what you are and what you will be someday by the work and miracle of My Mercy.

Therefore, it is not necessary that you occupy all the time with what happens to you. It is better that you put your mind and your heart in evolutionary things, in this manner you will save time, energy and space to really be able to give yourself with trust to My Sacred Heart.

Dare to transcend the so-called human decadence. Love others as you love Me, in this way you will build inside yourself something really good, and everyone will be served of your goodness to relieve their hearts and their lives.

In simple words, you should imitate me as a model of patience and unconditionality, as well as in deeply merciful acts.

One day you will awaken and be another. All this weight will have been transmuted by your correct and elevated disposition.

Do not be afraid to conquer yourself. Follow my steps and you will attain inner peace.

I wait for you.

I thank you for keeping My Words in your hearts!

Who blesses you,

Your Master, Jesus Christ
