DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE CITY OF LA CUMBRE, CORDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In order for your being to become depersonalized and truly become different, sometimes certain tests or learnings arrive, that perhaps for your mind make no sense or have no explanation.

But for God, everything that happens to you indeed has an explanation, and the Father will always hope that every experience that you may live or go through will help you to take steps in the evolution of your soul and your essence.

Only certain experiences can help you perceive that, if in truth a situation did not exist, which made you change your position or your opinion, you would not by any means manage to take the Christic steps that at this moment and in this time, I need you to be able to take.

Thus, your irritation or discouragement have no value because you must know that your destiny is already written in the Heart of God.

When there is suffering, lack of understanding or tension, it is because you still have not managed to clearly perceive that there is something within you that must die forever and no longer be there.

It is only with faith and a great deal of determination that you will manage to overcome the limits of consciousness, but for me it does not matter if you do not manage to do so; what really matters is that you try again, every day.

Allow yourself to be guided by what the Universe and spiritual wisdom are gradually showing you and never try to modify the occurrences, because then you would be delayed much longer before finally being able to reach Me.

Trust, surrender and be nothing; in this way, you will allow Me to be part of you.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
