DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Companions,

God never underrates any effort; on the contrary, God recognizes in the depths of each being that there truly is a sincere intention of being always close to Him.

Thus, the Father welcomes all the aspirations of His children, no matter what they are, and regardless of how imperfect they may be, just as souls upon Earth are, God greatly considers the value of the love that each child places in their aspirations.

In this way, so that the children of God may be assisted in accomplishing their inner aspirations, the Father allows them to know His Will, which is like a bridge that will lead them into fulfilling His most ardent desires of seeing His children on the path of good and of spiritual happiness.

For this reason, companions, you must not become depressed nor discouraged because, in spite of the purification of these times, God never forgets, just like you, that you are souls trying to achieve the path of perfection.

Yet, in order to experience this path of perfection it will be necessary to detach from old and ancient structures and ways of life that will not let you achieve the Christic life.

That is why in some cases it is more wearing; but trust, for I am here to help you. Just trust.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
