APPARITION OF THE GLORIFIED CHRIST JESUS ON THE THIRD DAY OF THE SACRED WEEK, IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

In the name of the Father, the Son and the Holy Spirit. Amen.

To receive at this moment the perfection of the Celestial Church of Our Lord, at His request, let us stand and intone "Ha Rishon", to receive the impulse of the Consciousness of Emmanuel.

Song: "Ha Rishon V'ha Acharon."

Welcome within you the Presence of Emmanuel, one of the great aspects of God, in My Celestial Church. It is the thinking and creator God, Who has gestated in His Spirit all that exists in Creation and in the Universe.

His Mental Universe is not only expansive, but also infinite.

From Emmanuel emanates the power of the Purpose, the concretization of the Sacred Goal.

From His creative Mind are born the forms that strengthen the expression of the Celestial Church.

Through Emmanuel, we find the path of righteousness, alignment and harmony.

His Creative Mind must act in all that exists and lives. For this reason, there is no error or mistake in His Plan; geometrically and mathematically, everything is perfect. From there are born the sacred forms, the so-called symbols of Creation, that have constituted the manifestation of the spiritual, mental and material universes.

Today, in the Celestial Church of your Master and Lord, we are standing before the Creator Source of Emmanuel, governed by the sacred Blue Ray, which expresses His infinite and pure Mind.

From Emmanuel were born the Archangels. The original Source of the Creator Fathers is in Emmanuel, and through the Creator Fathers, from the Archangels, the principles and attributes of the Divinity are born, especially for this material universe.

In its interior and at this moment, see within yourselves the great creator Nebula of Emmanuel, the powerful Mind of the Eternal Father, which from the beginning gave an impulse to the manifestation of the Will.

See within yourselves the sacred Nebula of Emmanuel, and return to the origin of the Origin, just as today the Creator Fathers, through the Sacred Celestial Church, return to the Origin together with all the good and blessed souls.

That is how, at this moment, you must find in the silence of the heart as well as in non-material life, the essence of your purpose, the reason for your creation and existence.

Meanwhile, the Father contemplates you, just as He contemplated you in His Powerful Creator Mind before you had life, before you were an essence with a creator purpose.

In the Nebula of Emmanuel lies the beginning of your beings, the origin of your emergence, the path that will again lead you to God.

Today God has wanted you to know these things, that you become aware of this mystery that goes beyond material life and up toward spiritual life.

Ask yourselves internally: Who am I? while you see within yourselves the Sacred Nebula of Emmanuel.

Who am I?

And see written within yourselves the Sacred Name of Emmanuel, the "God in Us" and in this way, you will understand that your life does not end here, that this life is a passage and it is an experience that someday will lead you to finding the truth, the truth that is within each one of you, a truth, free of appearances, errors, traumas and sufferings.

God ardently desires that you remember your essential life, the God in us, and in this way, you will overcome everything, will understand everything, and in the end, you will penetrate the mystery of the Consciousness of Emmanuel, just as the Son of God lives in the mystery of His Father, just as the Father lives in the Mystery of His Son.

What shines in you, under the Love of God, is stronger than all that is external.

See your lives in a different way, understand your paths through other symbols, because the "God in Us" is there, waiting, up until today, that you realize His aspiration.

Continue emptying and divesting yourselves so that you may understand and love the revelation of this mystery, which reaches the consciousness of the whole planet and of humanity.

While My Church emanates this impulse to the world, hearts can find the truth and the answer so longed for to understand that life does not end here, and that it is governed by a Sacred Purpose, which is written in your essences, since you emerged from the Source.

In this crucial time of humanity, the Creator Fathers resume the principles of the Source in order to be able to pour them out, and place them in all possible essences in order to generate the awakening. If that happens, and souls understand the message that comes from the universe, the end of time will not be necessary and chaos will end in humanity because millions of souls will be aware of their purpose and would be able to amend their mistakes through experiences of love and redemption.

The most pure Source of the Consciousness of Emmanuel opens through the Celestial Church in order to reach the world and try to correct its errors, under the impulse of the Divine Will, that the Creator Fathers bring.

If the offerings continued to be true, many uncertain doors would close, and souls will not suffer, for they will have found the meaning for being here on this planet, learning what they are living and experiencing, what they are feeling, in perfect union with the Creator.

But Emmanuel is not the only creative manifestation of the Father; you already know some of His Sacred Names and it must be your aspiration to know even more about the mystery of each Sacred Name, because they are vibrations that are emanated from the Supreme Source, bathing all of the spiritual, mental and material universe.

But this does not end here; the Names of God are great keys of access to the Supreme Consciousness, and to the re-encounter with the Source that generated and emanated you.

Emmanuel is the Great Restorative Power of the Universe. During the three days in the sepulcher, the power of the Light of Emmanuel restored the Sacred Son and carried Him to the resurrection. If souls knew that power, even more, they would not become lost, for who adores God in the Heavens, adores all of Creation, and all its manifestation in the planes of consciousness.

Today you are before that Nebula of the Light of Emmanuel so that the life of humanity may be restored and healing may be achieved in this moment of the planet.

Many fallen essences return to the Primordial Source through the intercession of the Creator Fathers, to recover the principles they have lost and the attributes they abandoned since they emerged from the Source, and this is possible because of the descent of the Celestial Church, and because of this physical space, offered to your Master.

Today, the inner union between the material, mental and spiritual universe occurs, and the souls of Earth carry with them a great impulse that comes from Emmanuel.

Now, placing your hands in the sign of gratitude and reception, let us ignite the essence of the Purpose in each being, intoning the sacred Name of Emmanuel.

We can begin. Everyone within the blue Nebula of Emmanuel.

Song: Emmanuel.

We bring our hands to our hearts and give thanks. We give thanks to our Creator Father.

Let us celebrate this Eucharist, standing before the Consciousness of Emmanuel and Christ. Let us ask Our Lord that He make us worthy of this moment so that we may participate in the mysteries of the Love of Christ, re-experiencing His sorrowful Passion.

At this moment, let us offer a prayer for all the priests of the world, so that the Lord always grant us the Grace of representing Him on the surface of the Earth as His companions and apostles, so that the priestly consciousness also be restored in the Presence of the Creator Father Emmanuel:

*"Lord,
may my spirit be purified
at this moment,
so that I may participate
in Your unfathomable mysteries of Love.*

*Lord,
may my soul be purified
at this moment,
so that I may be worthy*

of all Your Graces.

*Lord,
may my mind be purified
at this moment,
so that my consciousness may be united
with the Divine Mind of God, and thus
be able to have the Grace of lovingly carrying forward
this Holy Sacrament.*

*Lord,
may my heart be purified
at this moment,
so that my feelings may be united
with Your most pure feelings
of Love for humanity.*

*Lord,
may my hands be purified
at this moment,
so that I may be worthy of participating
in the celebration and the consecration
of Your Body and Your Blood.
Purify my hands of all
that I have done that is impure and incorrect
so that I may be blessed,
able to touch Your Glorious Body.*

*Lord,
may my eyes be purified
at this moment,
of all that I look upon outside of the Law,
so that during the celebration,
my gaze only be fixed upon You.*

*Lord,
may my mouth be purified
at this moment,
of the words, deeds and judgments
that I may have pronounced against the Love of God,
so that all that I say from now on
be the Holy Word of Your Gospel,
under the Grace of the Holy Spirit.*

*Lord,
may my ears be purified
at this moment
of all that I may have heard,*

*so that from now on
I only hear Your Words
and, as a priest,
I may practice all your teachings.*

*Lord,
empty me, at this moment,
so that it may not be my personality that acts,
but rather the strength and the power of Your Spirit,
which will perform miracles and wonders
in this Holy Eucharist.
Amen."*

"Father,
You who are the Love that exists in all existence,
on this afternoon of Mercy,
I offer the merits and the triumphs
of the Sacred Heart of Your Son,
so that they may be poured out
by the power of this Sacrament,
so that the faults of souls
be forgiven,
hearts be repaired,
and life be healed in all those who need it,
so that Your Will may be fulfilled.
Amen."

When I was gathered with the twelve, I took the bread, in an act of gratitude I elevated it so that it would be transubstantiated by the angels of Creation, so that it would be converted into the Body of Christ. I then broke it and gave it to the apostles, saying to them: "Take and eat, for this is My Body that will be given for humankind, for the forgiveness of sins."

*We praise you, Lord, and we bless You.
We praise you, Lord, and we bless You.
We praise you, Lord, and we bless You.
Amen.
(in Portuguese)*

The Supper having ended, I took the Chalice and elevated it to Heaven in an act of thanks, so that it could be transubstantiated into the Blood of Christ by the angels of Creation. I then passed it to those of Mine, and offered it to them, saying: "Take and drink, for this is the Chalice of My Blood, the Blood of the new and eternal Covenant, that will be shed by the Redeemer for the remission of all faults. Do this in remembrance of Me."

*We praise you, Lord, and we bless You.
We praise you, Lord, and we bless You.
We praise you, Lord, and we bless You.
Amen.
(in Portuguese)*

Father, Son and Holy Spirit, may the powers of Your creator Grace descend through this Sacrament and establish a spiritual Communion with all the devoted souls of the world.

Our Father (in Portuguese and English)

May the Peace of Christ descend to Earth, under the Power of Emmanuel.

*Lord,
I am not worthy that you should enter under my roof,
but only say the Word, and I shall be healed.
Amen*

We announce at this moment, at the request of Our Lord Jesus Christ, before the Presence of Emmanuel, the Creator Father, the establishment of spiritual Communion with all followers of Christ throughout the world, through three bells.

*Celestial Father, who leads us all,
accept our offer of surrender to You.
Guide us through the path of Love
so that Your Will may be done.
Amen.*

*Most Holy Trinity, Father, Son, and Holy Spirit,
I adore Thee profoundly. I offer Thee
the Most Precious Body, Blood, Soul, and Divinity of Jesus Christ
present in all the Tabernacles of the Earth,
in reparation for the outrages,
sacrileges, and indifferences by which He is offended.
And by the infinite merits of the Sacred Heart of Jesus
and the Immaculate Heart of Mary,
I beg the conversion of poor sinners.*

Amen

.

My Father, Emmanuel, was the inner power that caused Me to reach the heights of Mount Calvary, although seemingly I could never have managed it, because it was the power of His Love that changed the Cross into the Tree of Life.

Your own crosses may someday be the Tree of Life. Believe in it, because the end of the captivity is near, and all will change with My Return to the World.

Today take Emmanuel into your heart and feel within yourselves His blue Fire, so that the essence of the Purpose may incarnate in all possible souls, and just as the beloved Son, the Crucified, souls may fulfill the Will that comes from the Supreme Source.

Be in My Peace.

In the name of the Father, the Son and the Holy Spirit. Amen.

At the request of Christ, at the closing of this apparition, we will listen to a song that He greatly feels and that helps each one of us, called "Make of me nothing."
