APPARITION OF THE GLORIFIED CHRIST JESUS IN NERJA, MALAGA, SPAIN, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS, FOR THE SECOND DAY OF THE 112TH MARATHON OF DIVINE MERCY

In the name of the Father, the Son and the Holy Spirit. Amen.

I invite you, once again, to walk upon the waters and follow my steps without fearing that your feet might fail, because I invite you to walk upon the Sublime Consciousness of the universe, where your beings will be able to expand and achieve realization, through honest union with Me.

This is why today I come walking upon the waters, so that you may have faith when you walk upon the oceans, without fear of failing or sinking, because I come to rescue you at this time. I come to call you by your names so that you may follow My Path toward the Light of God.

Because after this entire trajectory lived and experienced on the planet, as I once told you, your souls and consciousnesses must merge with the Immaterial Source so that, finally, this Human Project may be renewed and in this way the New Earth may be concretized on the surface, free from sin, indifference and arrogance.

Therefore, walk upon the waters, just as Peter did, being the most imperfect apostle of all. And, even so, he overcame himself when he saw the Master walk upon the waters.

What sustained Peter upon the ocean?

Not only was it due to the sight of the Lord of the Night, but also due to the awakening of his deep and inner faith was that which helped Peter overcome his own limitations of consciousness and of material life. His faith, permeated by his love for the Master, allowed Peter, the apostle, to reach Me upon the waters. This is why I told him: "Have faith."

And today, I tell you to have faith and trust all that I tell you and ask of you, because times will come when you will not only have to learn how to walk upon the waters of the consciousness so as to learn how to sustain yourselves and not sink, but the time will also come for you to learn to sustain your loved ones and families, so that at least a smaller group of consciousnesses and souls may safeguard the Sacred Project of the universal family on this planet.

In this Work, founded by Me, the mission with the families is the most important, because you must not help change the ways of families, but rather you must express through your examples the values of a spiritual family. Values that are being lost in families in these final times for different reasons and motives, through the interference of modernity and for how distant from God souls live.

As a member of the Sacred Family of Nazareth, I invite you to pray with Me, for the next Holy Week, for families, so that the main cell of God's Project on this planet may continue to express itself through an evolutive family, which will be in communion with Creation and nature.

This is why today I bring you the values of the Sacred Family of Nazareth, because you need them, the most important facts that I lived together with My Mother and Saint Joseph, trying to leave

expressed on this surface the values of Divine Spirituality.

In the face of the needs of the families in these times, if this spiritual situation is not attended to, the Human Project will not be able to be fulfilled.

For this reason, when I return to the world, I will also call your families and the families of the whole world to be physically present during My Return, to receive My Message, and also My Paternal Blessing, so that the innermost nucleus of the families of the world may be liberated from spiritual slavery. In this way, each family member will be able to finally fulfill their Purpose, the mission that each family member came to live in this end of time.

So that all these aspirations may be fulfilled, you must dare to walk upon the waters and overcome your own limitations of consciousness, dissolving your fears and anguishes, being reborn, time and again, through My Call.

For this reason, today I place you again before the Universe of God's Consciousness, through this Mediterranean Sea, so that the deepest wounds may be closed, especially in those who have shipwrecked and, even as family of this humanity, were not helped, were discarded.

I come to place Myself before you and God, as a Mediator and Spiritual Judge, so that the faults committed here may be mended through the step upon the waters, which My apostles will take, without forgetting that this humanity needs imperious redemption.

For this reason, upon this Mediterranean Sea, and as a Fisher of souls and hearts, just as I told My apostles on the Sea of Galilee, today, before this Mediterranean Sea, I tell you to board My spiritual boat, because you must still get to know universes of love that you do not know, you must still know universes of service that you still do not know, and you must still reach the safe harbor of the Heart of God, because when you arrive at this Spiritual and Sublime Harbor all will be consummated, just as the Son of God had His consummation on the Cross, at the moment of His Expiration.

I not only want My Message to resound in this ocean, but also My Message and My Word to reverberate in your hearts and lives so that you may keep in mind that it is time for you to become different, and that, divested and empty of yourselves, without any burden on your backs or consciousnesses, it is time for you to freely walk upon the oceans, just as I ask you, feeling the elevation of the spirit, communion with the soul, the favorite union with My Heart.

Today, I leave this Message for the brave.

Today, I leave this Message to impel the tepid.

Today, I give this impulse to those who have the courage to follow and recognize Me as your One and Great Master among the Masters, as the Way, the Truth and the Life.

Today, I will stay in prayer upon these oceans, helping their great spiritual consciousness, the spiritual consciousness of the oceans, faithful witnesses of the errors and indifferences of the world, which is now being repaired and spiritually re-built.

Therefore, walk with faith upon the oceans and do not lose heart. No longer consider yourselves miserable or sinners. Consider yourselves as a part of My Mystical and Spiritual Body, cells of the

Great Body of Light of Christ in redemption. In this way, you will live, to a greater extent, that which I ask of you and, at this hour of planetary inflection, your spirits will help you to fulfill My aspirations on this material plane, just as I have expected for so long.

My boat has a place for each one of you. I always wait for you to sail in the Consciousness of God, through the absolute void and the encounter with the Whole.

Lastly, I would like to thank the brothers and sisters who are here and came from different places of Europe to meet Me face to face, to reaffirm through them the union with Me, to say to Me:

"Master, here I am
and here is my heart for You.

My heart, Lord, is Yours
and I give it to You in trust
so that you may convert it, Lord,
into an instrument of peace,
into the profound emanation which I feel of Your Love,
so that this Love, Master, may radiate to the world
and to all those I have around me,
so that Your Love, Lord, may liberate souls
and we may all celebrate, at this hour,
the communion with Your Love,
the Blazing Love of Your Merciful Heart."

This is what I hear from honest hearts, from those who do not fear transformation and from those who take risks by saying 'yes' to Me at each new step.

With this feeling from your hearts, I withdraw and retreat in prayer, fulfilling, in this third Apparition, that which the Father has asked of Me. Leaving you ready to enter Israel, where you will be able to feel Me very close, so that also your brothers and sisters may feel Me close, despite the distance, so that we may continue to commune with the Love of the Creator.

Now, I invite you, once again, to prepare for the Spiritual Communion and to offer this Communion for the refugees and discarded throughout the world, so that the unfathomable universe of the Mercy of Christ may justify the grave errors of war, destruction, abortion, discarding and human indifference, so that all may be converted, just as My Heart converted you at each step of the Cross, renewing planetary life.

I bid farewell, in gratitude, love and faith.

In the name of the Father, the Son and the Holy Spirit. Amen.
