SPECIAL DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED DUE TO THE LATEST ATTACK IN THE CITY OF NICE, FRANCE, AT VILLA DE DORNES, FERREIRA DO ZÊZERE, PORTUGAL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear children:

The terrorist humanity does not know the power of the Justice of God at this time and it launches itself into the emptiness, overthrowing all the principles of a true humanity.

Panic and fear embrace many hearts because the time of Apocalypse has already begun. Unimaginable things can already be seen in the streets of the world and fear drowns the majority, who is indifferent and does not pray.

The hearts seem to lose the meaning of their existence and fear the death generated by terrorism.

It seems that the flame of faith fades little by little and the souls that do not accept Me are unprotected and without My shelter. The time of chaos has already arrived and many prefer to deny it for not wanting to face their own reality.

The miseries seem to multiply themselves more than the roses and the valley becomes the scenery of constant outrages.

Humanity feels the awakening, but soon deviates itself losing the meaning of the true path of redemption.

All offend God to some degree and when the majority moves away from God, this jeopardizes the life of all.

This difficult and cruel time precipitates upon those who are fallen spiritually and the bombs and attacks explode before their faces.

Nobody turns to God and everybody gets lost in darkness. While this separation of hearts happens for not thinking not even for a second about God, I fight day and night together with My hosts against the plans of My adversary.

Nobody knows the power of the Justice of God; while there is time, repent and ask for forgiveness for those who offend and outrage the Heart of God.

Pray with more consciousness and determination so that the world tests that are approaching do not surprise the majority again.

My Heart feels again the pain of the world and the causes of so much human indifference. I only pray for you and for all My children to be prepared and thus be able to face the final time.

I thank you for following Me!

For peace in times of attacks,

Your Mother Mary, Rose of Peace
