DAILY MESSAGE OF GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MUNICIPALITY OF LOS COCOS, CÓRDOBA, ARGENTINA, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

I am the Light that at night illuminates the inner worlds that commune with Me.

I am that spiritual and powerful Light that dissipates darkness and brings wisdom to all things.

I am that invincible Light that comes from the Heart of God and descends to Earth, in Divine Consciousness, to awaken those who sleep.

I am that infinite and unknown Light that is invoked and cries out in the Eucharist, as well as in the prayer of the simple of heart.

Whoever passes through this Light will have eternal life, but first they will purify their beings to be clean before entering the Kingdom of Heaven.

Whoever submerges into the ocean of My Light will see in themselves the living God and they will fully enjoy the spiritual affiliation.

Whoever enters into the Light of Christ will not lose anything, on the contrary, they will win the treasures that My Heart has especially guarded for each being.

May My spiritual Light be a refugee for the helpless, comfort for those who suffer, support for those who fall, warmth for those who are cold, nourishment for those who feel hungry, healing for those who are sick and redemption for those who are lost.

I thank you for penetrating the mystery of My spiritual Light!

Who blesses you,

Your Master, Christ Jesus
