**Poems to the Immaculate Heart of Mary**

**Tenth Poem**

Lady of Mercy,  
Mother of Divine Creation,  
teach us to live fortitude.  
May we pass through this world  
with the conviction that we are fulfilling the requests of Christ.

Mother of humanity,  
may our lower condition be transformed,  
may nothing else limit us from being in Christ,  
because our aspiration is to be His apostles  
of the end times.

Grant us the Grace, dear Mother,  
of being able to unconditionally respond to Our Lord.  
Do not allow our human hearts to be tepid or fragile.

May the fire of the Holy Spirit  
impel us to achieve our mission,  
because we aspire to be nothing  
so that Your Son may find a place within us.

Dear Celestial Mother, You know  
that our flesh is weak,  
but You can strengthen our souls in love  
so that, united to Your Heart of Love,  
we may respond to the merciful Call of Christ.

May there no longer be definitions  
but rather the fulfillment of the great Redeeming Project  
within humanity.

Mother, help us to be self-summoned.  
May the strength of giving  
to the Plan of God arise within us.

Amen.

I thank you for responding to My call!

Who blesses you,

Your Mother, the Virgin Mary, Rose of Peace
