DAILY MESSAGE OF MARY, ROSE OF PEACE, TRANSMITTED IN THE MARIAN CENTER OF FIGUEIRA, MINAS GERAIS, BRAZIL, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN

Dear child,

May your heart pacify so that it may always reach the meekness and the inner light that will allow, in these times, to attract the maximum Grace of God towards this planet.

Therefore, look for this pacifying spirit through the Heart of My Son, because in this way, you will build within your consciousness an unbreakable strength that will also help other souls to encourage themselves to take the same steps that your consciousness is invited to take.

Walk in the direction of the Heart of My Son, there you will also find the Gifts that will make of this humanity a possible sanctified humanity in spirit, in soul, and in body.

In this way, everything will be under the guidance and the company of Jesus, who will safeguard you at each new step.

The pacifying spirit will allow to rise again on this planet and within this humanity the spiritual values that the human race itself is losing at this time; in this way, the path may be opened even more for the christic consciousness to act in the inner worlds of essences that, in this cycle, must awaken to greater expressions of love and unity.

I thank you for responding to My call!

Who blesses you,

Your Mother Mary, Rose of Peace
