Daily Message of Saint Joseph, transmitted during the journey between São Paulo, Brazil, and Buenos Aires, Argentina, to the visionary Sister Lucía de Jesús

While, around you, the world agonizes, may your heart be in prayer, your feelings be at peace, your mind be in God, and your spirit be in the Divine Purpose, which is drawn in the stars to then be manifested in material life.

When your human condition, in full purification, seems to succumb and lose hope, concentrate your attention on the mirror that there is in the essence of your being and know that you hold within yourself a doorway to the Cosmos, to Eternity, to true life, supported and guided by divine thought.

With eyes fixed upon the mirror of your essence, concentrate your attention on seeking the Love of God and His Grace. Feel the presence of the stars and all the sources of life and energy that inhabit them. Know that this mirror that you hold within yourself is not the only one nor is it alone, but it is part of a network, which was created since the beginning of life so that all the children of God would find the path of return to His Heart.

Leave the mirror that lives within you alive and active through prayer and the transformation of your being. Make way for the Creator to reflect His Truth into your inner mirror and may you be able to be a vehicle of this Truth for the world.

While united to the mirror within you and to the Mirrors of the Cosmos, nourish not only your being, but allow this instrument of God within your heart to be a light that guides in the darkness, to be a sign so that your Lord may find the self-summoned in this time.

Within the mirror of your heart, the Truth, the Way and Life are reflected, because it is a part of the Presence of Christ within you. Therefore, child, do not lose the gift of having this divine tool within you, which can make your being an instrument in the Hands of God.

Today, address yourself to discover this mystery of the mirror of your heart through a life of prayer and union with the Brotherhood so that tomorrow, when everything will seem lost, you may look inside yourself and recover faith and hope.

Today I leave you a key and a mystery to unveil. In prayer, understand what I say to you.

Your Father and Friend,

The Most Chaste Saint Joseph
