DAILY MESSAGE OF SAINT JOSEPH, TRANSMITTED IN THE MARIAN CENTER OF AURORA, TO THE VISIONARY SISTER LUCÍA DE JESÚS???

Occupy your mind, your heart and your soul with the experience of the Higher Laws, the ones that manifest all things in the different created dimensions.

If you concentrate on the Origin, on the Root of everything that has been created, it is not necessary for you to fear or to be afraid in your life on Earth.

The one who lives within the Universal Laws, in harmony and communion, attracts to himself only facts that correspond to the manifestation of these Laws. But, from the moment the consciousness transgresses them, he comes out of their flow and protection and is subject to all common consequences of the human actions.

When I speak of Universal Laws, I speak of the Law of Love, of Fraternity, of Obedience, of Compassion, I speak of the vibrations that organize the different Rays of the Creator and allow the manifestation of the Divine Plan.

When you are adhered to these Laws - that, for many, are simple and rare virtues in humanity -, you give to the Creator a live sign that you are part of His Plan and that you are willing to let yourself be transformed and guided so that He will mold you, as He molds all of His Creation, in order to manifest His Perfection and Truth in it.

When you try to live under the Universal Laws, child, they are the first to manifest themselves in your life; you will be beyond the natural laws of human existence and the Creator will be able to operate in you what, for the common beings, will be like true miracles.

You will not need to fear or to worry your consciousness with the future because the one who lives in the Universal Laws is supported and protected by them. Therefore, before being fearful, afraid or worrying, live in the Universal Laws and attract to yourself what corresponds to them. Thus you will understand what the Creator wishes from all His creatures, and you will know that His Gifts are at the disposal of all, if only the hearts open themselves and search for them.

Your Father and Friend, who teaches you to search for the Higher Laws,

The Most Chaste Saint Joseph
