DAILY MESSAGE OF THE GLORIFIED CHRIST JESUS, TRANSMITTED IN THE MARIAN CENTER OF AURORA, PAYSANDU, URUGUAY, TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS

Just as in My spiritual Heart I keep each soul, in the same way I keep the nations of the world, especially those that in the end of times will have an important mission.

In this sense, Argentina will be the spiritual cradle of the new times, those which will arrive full of the Grace of God and will allow certain events to be presented in order to give impulse to the awakening of souls.

Argentina is a people and a nation with many opportunities that its own inhabitants will recognize, if they live the path of redemption and of forgiveness.

Argentina is a country not only overflowing with natural beauty, but also a land that has its wounds, very difficult wounds that I Myself will heal through My Presence.

So that the healing may reach the hearts of Argentina and all its past, the Argentine people and humanity must truly invoke My Mercy so that from the heights of the Universe, the nonmaterial ray of liberation may descend and be that which transmutes and redeems the Argentine consciousness, and thus a new cycle will be able to begin.

I will be alert to the voice of the supplications of each one of My companions.

I thank you for keeping My Words in your heart!

Who blesses you,

Your Master and Lord, Christ Jesus
