**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Today remain in trust under My Protecting Mantle. The Lord loves you and will protect you in this path of challenges, surrender and consecration that your little, little hearts are living.

Today I invite you to reunite the strengths of the love of the heart of each one of you so that this love may be merged with the Love of My Immaculate Heart. Thus, My little ones, I will guide you in every moment of life and you will not waste time searching for Me because I, the Queen of Peace, will await you.

May My Immaculate Heart be, for each one of your hearts, the shield of Light that will shelter you from the evil that is spread throughout the world. For this, My little ones, today we are in the hour of preparation of the soldiers that are formed under the creating principle of a living and redeeming prayer.

Aspire to penetrate the Kingdom of the Heavens in each moment of life. In this way, My dear ones, you will be consecrating the existence within this world. Now we must, day by day, go to the encounter of the souls that are lost and thirsty for God, but that do not know how to begin their own reconciliation with Him.

For this, My dear ones, I am forming soldiers of prayer, consecrated to My Immaculate Heart; soldiers who will help Me day and night in the praying rescue of the hearts that have fallen in faults and in error.

For this, I come to the encounter of your hearts from the Heavens in order to radiate My hope and My Reign of Peace for your lives. It is simply enough in this final time to drink from the source of prayer so that in this way you may be guarded from everything and in everything.

Those who pray with Me, My little ones, will be arriving, before the end of their lives on Earth, to the Doors of Paradise, to find themselves in adoration before the Universal Master of Love and Forgiveness.

Today Christ calls you to remain in constant adoration and prayer; in this way, little children, you will be assisting in the restoration of the wounded world. You will unite yourselves heart to heart with the souls that cry out for Light, and you will remain in vigil for peace in the world. Thus I will be able to say that My Immaculate Heart will triumph.

In love and adoration for the little hearts,

Mary, Mother of the Divine Conception of the Trinity
