**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN**

Dear children,

Today I leave to each one of your hearts the sign of My Peace. You will find this sign in the daily prayer. Little ones, another sign for your souls is conversion. The Lord invites you to convert the spirit into a sacred temple of forgiveness and restoration of life.

Dear children, in the consecration of your lives by means of the Divine Word of prayer you will find the path that will lead you to the Doors of Peace, the Doors of My Kingdom.

My little ones, it is time to prepare your consciousnesses for what will soon come from the Heavens. My Immaculate Heart carries a herald for all of the children who unite to God. For this reason, little children, the world must also continue converting itself through the prayers of all of the children of the world. If you knew how necessary it is for your hearts to pray you would be each moment impregnated by the Light of My Heart.

I want you to recognize that we are in the moment of radiating peace for all those who need it. Your lives must convert themselves into constant instruments of God, thus the Divine Plan of God will flow according to the designs for each one of the souls. This most precious plan of love will alleviate the constant generation of faults that many souls commit before the throne of the Father while they live in the world. For this, My dear children, I openly wait for you so that we may merge ourselves in prayer for all these children. As humanity you must learn many lessons of peace and of humility.

On this path of construction of the Inner Plan you will find Me. It is enough that each one of the souls opens itself to My immaculate call to conversion.

Thank you for responding to My call.

Mary, Mother of the Divine Conception of the Trinity

Peace for the lives.
