APPARITION OF THE VIRGIN MARY IN BUENOS AIRES, ARGENTINA, TO THE VISIONARIES FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS AND SISTER LUCÍA DE JESÚS

Mother María Shimani de Montserrat:

Now, while we sing "Immaculate Heart of Mary", our Mother asked all those present, especially those who are in the back rows, to silently come and sit on the floor, around here, because She wants to help you. Those furthest back begin coming here, silently.

Song: "Immaculate Heart of Mary".

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Today, I gather you together here, dear ones.

Mother María Shimani de Montserrat:

The Mother asked those who can, to kneel, for She will do some work with each one.

Friar Elías del Sagrado Corazón de Jesús transmits the Words of the Virgin Mary:

Dear children, in your hearts I wish I could write all the Love I feel for you, so you could understand the immensity of the Love of God.

For this reason, I invite you to remain in My Heart and to remember My past Messages as a precious instruction.

Today, I bless you, forgive you and love you.

I thank you for answering this call!

In the name of the Father, the Son, and the Holy Spirit. Amen.

I await you in La Plata, because that city also needs it, has need of the Light and My Love, and you can be the mediators for this exercise, so that this plan may be accomplished at this moment.

Thank you, My little ones!

Mother María Shimani de Montserrat:

Let us sing "Blessed are You".

Thank You, Mother, for all that You give us!

Those who want to, can return to your seats.

We will now share an account about what happened.

Friar Elías del Sagrado Corazón de Jesús:

At the request of our Mother, we will share a short account about what happened before the Apparition.

Moments before the Apparition, something important happened in the skies of Buenos Aires. From the universe, a Crown of twelve stars began to descend that was the length of the city of Buenos Aires.

Over those twelve stars rested twelve angels, and all the Light of those stars and those angels was gradually imprinted on the consciousness of Buenos Aires.

As they descended, portals that were opening to the universe and flashes of Light, rays of Light, began to descend over different parts of Buenos Aires.

These angels were carrying out a task of activating some souls, of drawing them closer again to the Heart of our Mother.

At the moment of the Apparition, it was indicated to us, to Sister Lucía and me, that we kneel to wait for Our Lady.

We could see that Our Lady did not come, but we felt that She was drawing very close. Then I said to Sister Lucía: "Let's wait for Our Lady, because I believe She is doing an important task."

When I said that, She appeared over the sky of Buenos Aires; She was gathering together different groups of souls that had need of Light, a task that took Her some time. Then, She asked that we pray the Hail Mary in Latin for a time.

When She appeared in this room, She manifested as the Mother of the Divine Conception of the Trinity; She had not appeared in this way for a long time. At that moment, we felt that there was a symbol behind that Presence of the Virgin, which She then explained to us.

When She came to this room, She asked that we pray the "Prayer for all the children of the world" and that we make an offering together with Her, mainly for this end of the year process which will take place here, in Buenos Aires.

She asked that we do this prayer so as to be able to dispel the fears or the concerns about this end of the year so that, through Her Presence, on this day, peace may be installed in this city. She also asked that we bow our heads down as close to the ground as possible, and at that moment, we began to hear our Mother pray the "Prayer for all the children of the world", at the same time that we repeated it, which lasted some time.

At a certain moment, She showed us that She was accompanied by different choirs of angels and the Guardian Angels of each of us who bowed down to the ground to speak this prayer.

When She began to transmit the Message, which stopped, She then said to us: "It has to be at this moment, you must pay great attention". Then She said: "Now, write the Message", because there was a delay in the transmission of the Message She was giving. She considered it was better that Sister Lucía and Friar Elías should write the Message.

There, She asked that each of the brothers and sisters should come close to Her, because She wanted to carry out a task with us.

(Following, the Messages of the Apparition are read, received by [Friar Elías del Sagrado Corazón de Jesús](#) and by [Sister Lucía de Jesús](#)).

Mother María Shimani de Montserrat:

We just want to say that we will wait for all those who are able to go tomorrow to La Plata, since our Mother needs to carry out a task there too, and always remember that She is already in the hearts of each of you.

Something I wanted to tell you and which I felt during the prayer, is that I heard the soldiers of Mary pray here. Today I felt that all the work we have done during all this time has produced many results. I felt hearts praying. I felt that we were one and that, beyond differences or indifferences, we have learned what our Mother came to teach us.

I want you to never forget what you felt today when you prayed as if you were one; for in this way, we will always be invincible, we will be one in the Heart of our Mother. If you continue to pray this way, you will never be afraid again, because nothing will be able to come close. Trust in what you have learned.

Thank you!
