**DAILY MESSAGE OF MARY, MOTHER OF THE DIVINE CONCEPTION OF THE TRINITY,
TRANSMITTED TO THE VISIONARY FRIAR ELÍAS DEL SAGRADO CORAZÓN DE JESÚS**

Keep the Immaculate Love of My Heart in your beings and in trust call, by means of prayer, the inner presence of God.

Dear children,

May this day of Sunday be dedicated to the reparation of the Heart of the Lord through prayer. In the exercise of the prayer of the heart will be revealed the attributes that will help all of you in this time; attributes such as Faith, Love, Forgiveness, Mercy and Redemption.

Dear children, as the Mother of humanity I ask you to pray so that My Son may intercede and alleviate the pain in many hearts.

Each sincere offering that is born from your hearts day after day, will allow the Plans of the Most High to be fulfilled in the lives of all souls.

My children, in love and in devotion, I ask all of My children from the city of São Paulo in Brazil to raise their eyes to the Merciful Kingdom of God and in this way, to practice in their lives the maternal teachings that My Heart has poured through this last year.

Through the exercise of the adoration of the Sacred Heart of My Son, all My children of São Paulo will be united to My Immaculate Heart.

Therefore, dear children, today God asks you to grow in consciousness from the heart and to unite your souls with the different states that prayer will radiate to you, states such as unity, love and fraternity.

In this month of the Sacred Rosary, may your hearts discover the keys of salvation in each Mystery.

I give thanks to My children of São Paulo for responding to My call!

Mary, Mother of the Divine Conception of the Trinity
