**MESSAGE FOR THE APPARITION IN THE CITY OF POSADAS, MISIONES, ARGENTINA,
TRANSMITTED BY THE BLESSED VIRGIN MARY TO SISTER LUCÍA**

Dear children of My Heart,

I bring for this day of Glory a renovated message that, when My words are read by My children, will permeate your hearts with the Spirit of God.

My dears, each message sent by God through the intermediary of My Heart contains a part of the Will of the Lord for His little creatures, contains a part of the Path to the union with Christ, contains the Keys so that your hearts may be united with the Redeemer and receive His Mercy, made with life in each little being.

In these last years I brought precious messages that are coming from the Divine Verb so that My little children may find God the Creator by means of My words.

My children, your little hearts do not know the dimension of the Grace that your beings receive in this time by means of My arrival to Earth.

By accompanying My steps of pilgrimage your hearts assume a commitment with Me, a commitment that means that a little later you must give witness to all the Graces received, and when you will be before Our Lord Jesus Christ in His second public coming upon Earth, you must surrender into His Holy Hands the fruits of the Blessed Tree that My Heart has planted in your hearts. This is a tree that has grown since the first day in which you heard My Message.

My dears, My Heart has lived so many joys in these last days. Receiving with Love all prayers realized by My little pilgrims, and all were given to the Lord so that through the answer of humanity My Heart may intervene for the human beings, those who still are sleeping, those who still have doubts, those that still have fear.

For this My children, each one of your prayers is of great importance, each little effort that you make is seen from the Heavens as are those little efforts that you do not make.

It is necessary in this time to have firm hearts capable of always giving more than they believe to be possible to give, even if it is so little. This is called, My children, transcendence of your own self by Love of God and for the Salvation of souls. Each time that your little beings may conquer inertia, laziness and the lack of Love for God, may you offer these little actions to Him and little by little your lives will be permanent receivers of the Will of the Lord.

When God sees a heart that is making an effort to accomplish His Will, because you should know that this is the only necessary thing in this time, He sends a Ray of His Heart by the hands of the angels to their hearts giving an impulse to them.

My Heart also contemplates your effort so that with Love I will receive each one of them and I will

transform in Conversion and Salvation many souls that are not capable of leaving the illusions of the world.

I leave today this request and this instruction, to give priority in your lives to the act of prayer and to serve with Love and to dedicate a time, even if so little, to the union with God.

I thank you for answering to My Call and in union with My Heart, to this Mission of Peace and Salvation of Souls.

I adore you all.

Mary, Mother of the Divine Conception of the Trinity
